NO. 185—SIXTY-SECOND YEAR — VICTORIA, BRITISH COLUMBIA, FRIDAY, JUNE 25, 1920 — TWENTY PAGES

ORDERS FOR SHIPS CAN BE OBTAINED FOR CANADA YARDS

Liberal Member for Lotbiniere Declares Many Will Come From France if Proposed Government Assistance Is Available—Other Liberals in the House Oppose the Measure.

RESOLUTION ON WHEAT BOARD PASSES AFTER SOME CRITICISM

OTTAWA, June 24.—Thomas Vien, Liberal member for Lotbiniere, proved a warm advocate of the Government's shipbuilding assistance programme when debate on that measure was resumed in the Commons tonight. Mr. Vien declared he had recently returned from France, and that millions of dollars' worth of orders for ships would come from France to Canadian yards if this assistance was made available. He said Britain had been subsidizing shipping lines in order to build up her great mercantile marine, and he believed that in the plans it had outlined the Canadian Government had made sure of ample security for the money it proposed to advance.

Three other Liberals, D. D. McKenzie, W. Jacobs and W. D. Euler, following Mr. Vien, condemned the proposed assistance. The former declared it was without precedent since confederation. Messrs. Jacobs and Euler protested against aid being given to shipyards and denied to woolen mills or furniture factories. Mr. Jacobs thought the members were entitled to increased indemnities before this money was given to foreigners.

The afternoon and evening was devoted to a discussion of the resolution to extend the life of the Canadian Wheat Board until the day immediately succeeding prorogation of the next Parliament. Sir George Foster explained that he personally hoped it would not be necessary to continue the board for another year, but if control of buying was continued in Europe and the Government thought it necessary to continue control of marketing in Canada, it was desirous of having the power in its hands to continue the board in operation. Referring to the participation certificates issued by the Wheat Board, Sir George said these were now worth at least 30 cents a bushel, despite the fact that some persons had been stampeded into giving them away. Some would be redeemed, he thought, within the next month; all before the end of the present year.

Sir George said the board was made up of practical men, to whom he had never dictated as to how they should carry on business. No report of the amount of wheat and flour handled had been made, but Sir George said that comparatively little of the 1919 wheat crop remained to be disposed of.

Hon. Mackenzie King protested against the Government bringing down such important legislation so late in the session. He suggested that the Government should ascertain whether the board's legal standing was such that it would not be placed in the same position as the Board of Commerce in having its decisions questioned. The date of the legislation was also indefinite, and should be made clear.

H. H. Stevens, Vancouver; A. B. McCoig, West Kent; Hon. A. K. Maclean, Halifax; J. A. Robb, Huntingdon, and D. D. McKenzie opposed the bill. Hon. T. A. Crerar, leader of the Progressives, supported it as a temporary but not as a permanent measure. The resolution was adopted, and the bill based on it given first reading.

WINNIPEG, June 24.—One-quarter million dollars has been collected in luxury taxes for the first 27 days since the act became operative, by T. H. Verner, local collector of internal revenue for Manitoba.

MR. A. M. PALMER MAKES PROPHECY

Says He Will Be Nominated for Presidency—Mr. Bryan Expected Today—Irish Sympathizers Have Differences

RENO, Nev., June 24.—"I am confident of being nominated for the presidency, but even though I should not be nominated, it would not preclude an inevitable Democratic victory in November."

This was Attorney-General A. Mitchell Palmer's resume of his and the Democratic party's political fortunes during a ten-minute stop here tonight. His confidence was seconded by Mrs. Palmer.

"I will have a detailed statement to make upon reaching San Francisco in the morning," Mr. Palmer said.

SAN FRANCISCO, June 24.—Mobilization of Democratic national convention forces for the expected clash over a prohibition enforcement plank in the party's 1920 platform will approach completion tomorrow when W. J. Bryan arrives on the scene.

The Nebraskan is generally regarded as field marshal of the bone-dry element. He may also function as supreme commander of allied and associated interests opposed to President Wilson's platform views, and his arrival is expected to see battle lines for the whole platform sharply drawn.

The Friends of Irish Freedom, whose representative came to San Francisco to urge a plank in the Democratic platform pertaining to Ireland, announced tonight that because of the activities of the Irish sympathizers under the direct guidance of President De Valera of the Irish insurgent government, they would not propose any declaration to the convention resolutions committee.

The announcement generally was regarded as aggravating the possibility of a determined fight over the Irish question. Privately the officials of the Friends of Irish Freedom had advocated a plank which they said they regarded as less pronounced than the declaration which will be requested by Mr. De Valera. He arrives here Sunday night to lead the fight for Democratic support for Irish independence.

Daniel T. O'Connell, who said he spoke for the national council of the Friends of Irish Freedom, made tonight's announcement.

Democratic leaders here, while not willing to predict the language or substance, said they believed an Irish plank would be incorporated in the platform.

JONES BILL PUZZLES INSURANCE COMPANIES

LONDON, June 24.—British marine insurance companies are eagerly awaiting the text of the Jones Merchant Marine Bill recently signed by President Wilson, for which they have cabled. Pending the receipt of the text, officials of business firms are at a loss to know what action, if any, can be taken, other than complete acceptance of the propositions.

The belief has been expressed in insurance circles that some course of action will be decided on by the underwriters, among whom there is a disposition to endeavor to find some way to continue their American business.

The refusal of Lloyd's Marine Insurance Exchange to take more insurance on American cargoes is regarded as only temporary, and the belief is expressed that this embargo will be followed by the opening of a marine insurance bureau in New York.

Presenting Ex-Kaiser

AMSTERDAM, June 24.—A ministerial decree issued today forbids all except Dutch military airplanes to fly over the specified area of the castle at Doorn occupied by former Emperor William of Germany.

ARAB EMIR ARRESTED BY ALEPPO POLICE

PARIS, June 24.—The Foreign Office today received information from Beirut of the arrest by the prefect of police of Aleppo, Syria, on June 21, of Emir Ahmen Mukhtar, grandson of Adb El Kadar, the noted Arab chief who led the Arabs in the wars against the French in Algiers in the first half of the nineteenth century, and who died in 1883 at Damascus, where he had long been a pensioner of the French Government.

The dispatches say the arrest was effected under odious circumstances, the Emir being dragged from his domicile without clothing and grossly insulted.

Gen. B. J. Goutraud, French high commissioner in Syria, has protested to King Feisal of Syria.

BOLSHEVIK BLIGHT LIGHTS ON IRKUTSK

IRKUTSK, Central Siberia, June 19.—Soviet rule has been thoroughly established in Irkutsk. All institutions have been nationalized, most of the stores having been closed and a permit is necessary even to purchase a newspaper. Food conditions are most serious and the population eats black bread. Chinese merchants charge 250 roubles a pound for this bread.

Few foreigners remain in Irkutsk. It is estimated that 10,000 Chinese left Irkutsk during May to walk to the Chinese frontier.

RED CROSS AIDS NURSING SERVICE

Arrangements Made for Co-operation With Various Health Authorities—Stations for Training Nurses

VANCOUVER, June 24.—Arrangements for the co-operative working of the Canadian Red Cross nursing services, and the various health authorities in the Province were made today by the executive of the British Columbia branch of the Red Cross Society.

Dr. J. G. Fitzgerald, professor of hygiene at Toronto University, and secretary of the advisory and consulate committee of the society, and Dr. H. E. Young, provincial health officer, were in attendance, and a full agreement arrived at as to the details of such co-operation.

The peace programme of the Canadian Red Cross Society is being actively pursued by the executive, according to John Ridington, who said that the society had undertaken to train ten nurses for the work. There are at present five stations established at the following points: Walsh, Kereimeos, Sayward, East Arrow Park, Magna Bay and Celista, at which fully qualified nurses are stationed. Working in co-operation with the different provincial and civic health authorities, the scope of work is large, said Mr. Ridington. The nurses were trained by the V. O. N., and the expenses, amounting to $3,200, borne by the Red Cross Society. Other stations will be established at a later date.

Austrian Ministry

VIENNA, June 24.—In parliamentary circles tonight it is rumored that a tentative agreement on a new ministry has been reached, involving Dr. Renner's relinquishment of the chancellorship in favor of either Ferdinand Hanusch, state secretary of social administration, or Herr Eldersch.

Food Riots at Bremen

BERLIN, June 24.—The Vossische Zeitung reports food riots at Bremen, where the markets and shops have been compelled to sell at prices dictated by the public.

FRANCE AWAITS SOVIET REFORM

Premier Millerand Declares Political Relations With Russia Cannot Be Resumed While Irresponsibility Reigns

MOSCOW'S TREACHERY IS IMPASSABLE BAR

Failure to Assume Liability for National Debt and Persistence in Propaganda Against Other Nations

PARIS, June 24.—Premier Millerand, replying to an interpellation in the Chamber of Deputies today, said that the resumption of political relations between France and Russia, was a matter clearly depending upon the Soviet's attitude.

"When the Soviet government realizes that the first duty of a government worthy the name is to assume responsibilities for the international engagement of the former Russian government," said the Premier, "then we can talk with them; until then we can have nothing to do with a government which is in reality no government at all.

"We cannot deal with a so-called government which, while apparently attempting to enter into negotiations with another government, sends at the same time a message to the British workmen inviting them to start a revolution against that government."

Concerning the League of Nations, M. Millerand declared that all the efforts of the French government were aimed at making a reality of that institution.

The inference from his speech in political circles is that recognition of the Soviet Government depends only upon that government's assumption of responsibility for the Russian foreign debt and the cessation of Bolshevik propaganda.

COUNCIL MEETS IN TORONTO NEXT

Decision Taken at Women's Convention—Defeat in Law Against Bigamy — Various Resolutions Disposed Of

ST. JOHN, N.B., June 24.—Toronto was chosen for the 1921 meeting place of the National Council of Women in convention here this morning.

Discussing the law in regard to bigamy, Mrs. L. A. Hamilton, of Toronto, at this morning's session, pointed out that a person who contracted a bigamous marriage outside of Canada cannot be punished here unless it is established that he left this country with the intention of committing the offence. She said that girls who had gone through a form of marriage in England with soldiers, who already had wives in this country, on coming to Canada could get no redress. The convention referred the matter to the committee on laws for the better protection of women and children.

In making the report of the peace and arbitration committee on behalf of the Ontario Women Citizens' League, Mrs. L. A. Hamilton exhorted all women to make themselves acquainted with the preamble and covenant of the League of Nations.

She suggested that the name of the committee be changed to the "League of Nations" committee. This was seconded by Mrs. Willoughby Cummins, but the matter was deferred.

Mrs. George Watt, reporting for the committee on soldiers' pensions, asked for another year to complete their work.

A motion to pay the annual fee to the Social Service Council was adopted.

Mrs. Murray gave notice of a motion that Ottawa representatives should be asked to attend a conference in Toronto in July regarding freer relations between the West Indies and Canada.

Mrs. Watt presented the budget, which forecasted expenditures of $4,065 and estimated receipts of $3,815, leaving $3,250 to be assessed for.

MOUNTED POLICE AT ROSE FESTIVAL

PORTLAND, Ore., June 24.—Seventeen members of the Canadian Mounted Police, who arrived in Portland Wednesday night from Vancouver, B. C., participated today in the Rose Festival activities.

With their red coats, they vied with the brilliant uniforms of the visiting Shriners.

This is said to be the first time that a detachment of the famous Canadian Mounted Police has been given official authority to cross the border of that country and appear officially in the United States. All are former overseas men, and are reported to have served in several of the world war's bloodiest battles.

Greek Army in Retreat

PARIS, June 24.—A Havas dispatch from Constantinople, dated Wednesday, says the Greek army which took the offensive in Smyrna occupied the action of the capital of the port in Smyrna and an Italian patrolled there.

FACTIONS' WARFARE IN DERRY STREETS TAKE HEAVY TOLL

Official Statement by Police Shows That Seventeen People Were Killed and 29 Wounded Through Conflict—Looting of Houses Reported to Be Worse on Thursday Night

FEW SHOTS FIRED DURING AFTERNOON

No Attempt Is Made to Resume Business, and the Streets Are Still Deserted—General Campbell Promises More Troops—Statements of Arthur Griffiths Are Denied

LONDONDERRY, June 24.—Since midday there has been virtually no firing by the Unionist and Nationalist forces, who for a week have been waging civil warfare.

No attempt has been made to resume business. The streets are still deserted, the people keeping within doors.

At a meeting of the magistrates, General Campbell gave the assurance that the Government would provide sufficient troops for the protection of law-abiding citizens.

He issued a proclamation putting the curfew order into force from 11 p.m. Saturday to 5 a.m. Monday.

A total of 17 persons were killed and 29 wounded during the fighting, according to an official statement of the police. It says five persons were killed and ten wounded today; two killed and four wounded Monday; three killed and one wounded Tuesday; three killed and 14 wounded Wednesday, and four killed Thursday.

The looting last night was more extensive than ever. Numerous cases were reported of armed and masked men calling at homes of Unionists and Nationalists and giving them a couple of hours to clear out.

An English soldier who went through the war, describing his experiences in Londonderry, said he had seen nothing in France to compare with the situation there.

BELFAST, June 24.—Six motor lorries filled with fully armed troops, left Belfast tonight for Londonderry. Two lorries filled with equipment and an armored car also were sent.

DUBLIN, June 24.—Arthur Griffith, vice-president of the Sinn Fein organization, having charged that the Londonderry riots were planned in collusion with government servants and that the Carsonite volunteers were given facilities to send arms to Londonderry and provided with money for this purpose, Dublin Castle tonight issued a detailed contradiction of all of Mr. Griffith's charges.

BELFAST, June 24.—A report has been received from Omagh that Constable Michael Horan was shot to death today while on temporary duty in Tipperary.

LONDON, June 24.—A dispatch to The Evening News from Londonderry says:

"In four days in this city, in which every house was an armory, with a magazine, only two youths have been arrested for carrying firearms. The reason is that the military is insufficiently powerful to protect those they disarm from attacks by their enemies. Until reinforcements arrive in bigger numbers, disarming of the people probably would lead to great bloodshed."

Queen Marie in Paris

PARIS, June 24.—The Queen of Roumania arrived here tonight.

PETROGRAD REFUGEES LOOKING TO CANADA

LONDON, June 24.—Fifty men and women refugees from Petrograd, mostly husbands and wives, are just now lodged in a London poor law institution and are desirous of going together to Canada to form a community. The Foreign Office has approached the Canadian authorities, intimating that if the Dominion is willing to accept them, the Imperial authorities would assist them in becoming established.

These people are British subjects, bearing such common patronymics as Miller, Johnson and Smith, but owing to their perpetual residence in Russia many cannot speak a word of English. Because of their extreme desire to found a community among themselves, it is understood that the Canadian authorities decidedly hesitate about receiving them.

These unfortunate folk talk largely, and doubtless sincerely, about possessing roubles in hundreds, which, in the present state of Russian currency, are really worthless.

ITALIAN PREMIER STATES POLICY

Signor Giolitti's Announcements Receive Approval From Chamber of Deputies —Some Changes

ROME, June 24.—Giovanni Giolitti, Premier and Minister of the Interior, was accorded an ovation in the Chamber of Deputies today when he announced the composition of the Cabinet formed on June 16 and in an address outlined the policy his government would pursue. Among the points which came in for particular applause were the Premier's announcement of a modification of Article 5 of the constitution, giving parliament alone the right to make war, his declaration for some kind of control as to Italy's foreign policy and his demands for a reduction of army expenditures and concerning other financial projects.

Answering interruptions by the extremists concerning Albania, Premier Giolitti said:

"I have no hesitation in declaring that the government is not in favor of a protectorate for Albania, but desires to see the independence of that country."

The Premier said that Italy must without delay establish friendly relations with all nations as well as with her allies and without restrictions commence normal relations with Russia. He also announced the government intends to commence vigorous measures to reduce high prices, and that it would ask parliament for power to deal with speculators.

Opposes Indemnity Increase

OTTAWA, June 24.—Hon. T. A. Crerar, leader of the National Progressives, opposes increasing the sessional indemnity by $1,500 under present conditions in Canada. He was not in the house last night when J. H. Burnham brought up the question of an indemnity.

SAANICH DECLARES PEACE WITH CITY

Reappoints Its Members on Victoria-Saanich Beaches and Parks Committee—Reeve Has Not Forgiven

The Victoria-Saanich Beaches and Parks Committee, dormant for weeks through the resignation of the Saanich members, has once more come to life. The Saanich Council, shortly before half-past one this morning, appointed representatives on the committee to take the place of those who resigned. The new members are Reeve Watson and Councillors Brooks, Henderson and Flint. The Reeve and Councillor Brooks served previously on the committee. Councillor Clark, another former member, left the meeting before the vote was put.

Reeve Watson is required by the by-law to be on the Beaches and Parks Committee if it is to function, but judging by his statements last evening he will not be in evidence at any of the conferences of that body. He stated that he would have no dealings with any city member of the committee, with the exception of Mayor Porter.

Following out his announced intention Councillor Brooks opened the matter of the dormant Beaches and Parks Committee last night. He moved that Saanich appoint representatives to take the place of those who resigned. He offered to return to the committee himself. Reeve Watson and Councillor Terrell were against any peace move, but it was pointed out that the present situation could not continue, as the interests of the municipality were suffering.

Aldermen Todd will probably move next Monday night in the City Council that the Elk Lake Committee of the City Council, formed as a result of the fight with Saanich, be instructed to report to the Victoria-Saanich Beaches and Parks Committee that automatically dissolved, leaving the old joint committee to carry on. The Victoria-Saanich Beaches and Parks Committee has been in existence throughout the break with Saanich, but has been helpless owing to the absence of Saanich representatives. The Elk Lake Committee was formed at the suggestion of Alderman Todd to handle matters relative to the Lake which required immediate action. Councillor Henderson was the first of the members of the Saanich Council to speak for peace, and gradually he has won the majority to his side.

The Saanich members resigned from the Beaches and Parks Committee some weeks ago when the city representatives on the committee made some derogatory remarks concerning them because Saanich rescinded her ratification of the Elk Lake agreement.

Strike in Italy Ends

BERNE, Switzerland, June 24.—The railway strike in Upper Italy has ended with complete failure of the strikers. The men are resuming work unconditionally and regular traffic is expected tomorrow.

Board of Commerce Has Now Disappeared

Commissioner James Murdock Follows Example of Messrs. Robson and O'Connor in Resigning Office—Criticizes Government—Reflects on Judge Robson, and Latter Replies

OTTAWA, June 24.—James Murdock, labor commissioner on the Board of Commerce, presented his resignation to the Prime Minister today. This leaves the board without a commissioner, and may mean that the board will have to be abandoned. Judge H. A. Robson and W. F. O'Connor, K.C., having both left the board to take up other work.

In his letter to the Premier, Mr. Murdock makes serious charges against Judge Robson, who was chairman of the board until last April, and a letter from Judge Robson to J. B. Rugg, counsel for the Crescent Creamery Company, concerning the investigation of that firm's operation by the board, is quoted.

Expressing disappointment that the board has not been permitted to carry out the public service which it was appointed to perform, Mr. Murdock says:

"I am convinced that the majority of the cabinet, of which you are the honored leader, are not, and never have been sympathy with the previsions and intent of the Board of Commerce Act and the Combines and Fair Prices Act."

In conclusion, he says:

"In consequence, with the disposition that I continue as a commissioner of the board of Commerce until the decision of the Privy Council, I feel that the people need and has entitled to some results now. The light should be let in. I believe that your cabinet will devise some means to prevent the Board of Commerce from functioning, even should the Privy Council give a favorable decision (on the constitutionality of the legislation).

"My conscience will not permit me to become a high-salaried time-server.

"With the greatest personal respect for you, I apologize for handing a copy of this to the press at the same time it is sent to you. I do so as the result of experience and to make sure that the public will know the facts."

"I am going back to my office in Cleveland, Ohio," said Mr. Murdock, who left for Cleveland tonight.

"I am still vice-president of the Brotherhood of Railway Trainmen of America. I resigned from that post when labor appointed me its representative on the Board of Commerce. My lodge preferred to give me the definite leave of absence in case I did not like this job. Well, I don't like it. I'm going back to a job where I shall not need to fight the boss. I prefer to fight for the boss."

Mr. Murdock is actuated by more personal motivity, and his informal statement contains no criticism of the Board of Commerce, and no reflection on Mr. Murdock's resignation and statements.

It may shortly follow the matter of Crerar's resignation.

Refers to Hospitals That Are Defective

Dr. Arthur Speaks of Some Institutions Where Dangerous Conditions Exist—Dr. Ponton Deals With Hospital Standardization—Dr. Bowman, of Chicago, Praises West

VANCOUVER, June 24.—"Of your British Columbia hospitals," stated Dr. E. C. Arthur, of Victoria, at this morning's session of the B. C. Hospitals' Convention here, "few, even of the newer buildings, are without structural defects, while some of the older ones are very inconvenient and costly to operate. One or two are veritable fire-traps. For instance, I have a report of a frame building of three stories that has no fire escapes. In a large hospital in the interior the exit from the nurses' sleeping quarters to the fire escape is through a small window. Many of the hospitals that have furnaces in the basement have unprotected woodwork above and beside the furnace."

"One hospital of a hundred beds and a little elevator hasn't a stairway up or down which a patient could be carried on a stretcher in case of fire or otherwise."

Hospital Systems

In his address, a survey report of hospital standardization in British Columbia, Dr. T. H. Ponton, B.A., assistant superintendent of Vancouver General Hospital, emphasized the necessity of the proper type of medical practitioner working in the hospital; the prohibition of fee-splitting; the necessity of staff meetings to be held at least once a month, and the absolute necessity of keeping accurate and proper case records. Laboratory facilities were described by the speaker as being indispensable to a hospital, although the difficulty of providing these in small institutions was stated. A practical working plan was then described by Dr. Ponton whereby the smaller hospitals could use the laboratory to a great extent of the larger city institutions by co-operative work between the doctors of both. In the keeping of records, the form recommended by the doctor for use included a diagnosis book, a summary card and sheet, history sheet, record of operation, temperature chart, medication notes, nurses' notes, emergency and accident forms and the death book.

These forms could be supplemented by others if the hospital wished to go into a more elaborate system.

At the conclusion of the doctor's address, Dr. H. C. Wrinch, presiding, expressed the deep appreciation of the small hospitals for the help of the Vancouver institutions and for their kind offer of laboratory work for these at cost price.

Standardization

Dr. John G. Bowman, director of the American College of Surgeons, with headquarters at Chicago, then gave a very interesting address on the standardization of hospitals, during which he said:

"This movement started 600 years B. C. and it has made steady progress since that early date of Hippocrates' inauguration. In the last six weeks I have travelled from Halifax to Victoria, visiting Canadian hospitals, and I did not find one to better, when I state that, insofar as action on the part of the executives of hospitals is concerned, the Western Canada are second to none on the American continent."

SHRINERS MAKE GIFT TO PAST POTENTATE

PORTLAND, Ore., June 24.—W. Freeland Kendrick, of Philadelphia, who within a few hours will be past potentate of the Shrine, was presented with a cheque for $7,000 today, the 46th anniversary of his birthday. The sum had been raised with the idea of presenting the retired potentate with an automobile. It was decided instead to give him the cash.

Mr. Kendrick, after thanking the Shriners attending the Imperial Council sessions, indorsed the cheque over to the Shrine project for erecting and maintaining a $3,000,000 children's hospital.

HOUSE DEBATES CASE OF INDIANS

Liberal Members Oppose Enfranchisement of Those Fitted for Citizenship—Mr. O'Meara's Work Criticized

OTTAWA, June 23.—When the House of Commons went into committee on the bill to amend the Indian Act, F. B. Stacey, Westminster, B.C., said the bill provided briefly for compulsory education and the enfranchisement of certain Indians who are wards of the Government. He claimed that Canada had not made any adequate preparations for giving Indians full and adequate citizenship. There are about 109,000 Indians in Canada at the present time, and of these about one quarter are in British Columbia.

Mr. Stacey added that after listening very carefully to the argument put forward by Mr. O'Meara, counsel for the Indians before the special committee, he felt that it was groundless and in the main hypercritical. Mr. O'Meara might be acting from philanthropic principles, but there was not a man who understood the situation that would agree with him.

W. A. Boys, Simcoe South, chairman of the Indian committee, explained the clause which provides for a board, composed of two members of the Indian Department and a member of the band to which the man to be enfranchised belonged being appointed at the instance of the deputy superintendent-general.

There was no intention, said Mr. Boys, to indulge in wholesale enfranchisement of the Indian, but it was important that Indians who were earning from $6 to $8 a day, and were qualified for citizenship, should accept the responsibilities of citizenship. Why should an Indian who was earning such a wage not be compelled to meet his debts?

Mr. Mackenzie King read a memorial prepared by representatives of the Allied Tribes of British Columbia objecting that the Parliament of Canada had no legal right to enfranchise the Indians, thereby breaking up the tribes, destroying their status and preventing their movement for their rights as a class. Mr. King suggested that the legislation be deferred until next session.

Discrimination Needed

John Harold, Brantford, said that the Indian committee had found it absolutely necessary to provide for the intelligent discriminating handling of Indians. On 1,635 reserves throughout Canada there was every kind of Indian, from the aborignie to the Indian well educated in modern science.

In discussion of the Indians' choice of counsel to represent them in Ottawa, Colonel Peck said that this man, named O'Meara, was something of an agitator, had certainly acted in that capacity among the Indians, and it was doubtful if he really represented the opinions of the intelligent Indians.

F. B. Stacey also had a poor opinion of Mr. O'Meara, who was defended by D. D. McKenzie.

Colonel Peck, V.C., Skeena, contended that the petition presented by Mr. O'Meara on behalf of the Nishka tribe did not represent the true feeling of British Columbia Indians. Mr. O'Meara was an agitator who went up and down the country trying to get the Indians to support his ideas.

Colonel Peck thought every enlightened Indian was glad of the enfranchisement. Both Anglican and Catholic Church archbishops favored the bill.

Mr. Mackenzie King thought the Government was coercing the Indians into enfranchisement.

Hon. Arthur Meighen replied that this was the only way of compelling some educated Indians to pay their debts. Many Indians have asked for it themselves.

"If a bill to deal with debts alone is brought in, I will support it," said Mr. King.

"This is the only way; therefore you had better vote for the bill," replied the Minister of the Interior.

The enfranchisement clause then carried.

ADMIRAL KINGSMILL RETIRES NEXT WEEK

TORONTO, June 24.—Admiral Sir Charles Kingsmill, who formally opened the first naval veterans' club in Canada here yesterday, announced that he was retiring from service next week after 50 years' service, and the opening of the naval club quarters here was his final official appearance in uniform.

Hours of Work for Seamen

GENOA, June 24.—The commission of the International Seamen's conference which has been examining into the question of an eight-hour day and a 48-hour week on shipboard, yesterday voted 17 to 13 in favor of the proposition.

TRY MAGNESIA FOR STOMACH TROUBLE
It Neutralizes Stomach Acidity, Prevents Food Fermentation, Sour, Gassy Stomach and Acid Indigestion.
Sometimes if you are a sufferer from indigestion, you have already felt relief from gas, flatulency, stomach distress and various digestive ills that you think some change will set sure pain troubles right at once. Do not, even give this a trial.
Not before given we have had doubts that there is anything in it, but we have seen the effect of a little unscented magnesia upon the ordinary acidity and indigestion, sometimes with but the pain lasts from practically any drugging in fact, instead of taking it on.
Take a teaspoonful of the magnesia or two compressed tablets with a little water after your next meal and see if it does not prevent the food from turning sour and thus forming the acid which causes the distress. The magnesia will find that previous to the meal little acid is present in the stomach, but after a meal you can not get sweeter relief than enjoy it without any danger of pain or uncomfort. Its fully as effective in the case of children as in that of adults. Magnesia is not a laxative but a stomach regulator and can be taken by any one at any time with perfect safety.

PART OF IRELAND LEFT ISOLATED

Railway Deadlock Over Carriage of Troops and Munitions Is Spreading—Mail Train Is Sidetracked

LONDON, June 24.—Reports to the Irish Office today say that the Irish railway deadlock, owing to the refusal of railwaymen to operate trains with munitions, troops or police aboard, is spreading. No trains are leaving Limerick, according to reports.

A driver declined to operate his train when police boarded it at Athenry, leaving the train on the main line. This blockade, with the one at Clough Jordan, isolates a large section of Southwest Ireland.

CORK, Ireland, June 24.—A mail train from Cork to Dublin was held up at Blarney last night. It was in charge of two guards, who had taken the places of two men dismissed for refusing to operate trains carrying police. When the train reached the Blarney station a band of men seized the guards and thrust them into an automobile, which speeded away. The train was then sidetracked. The passengers returned to Cork on another train.

LONDON, June 24.—A possible new policy of dealing with the Irish situation was foreshadowed today when the Attorney-General for Ireland told the House of Commons that the Government had received an offer of the services of 3,000 officers and men from the Ulster Reserve Men's Association, and added that the offer was being carefully considered.

The English Liberal newspapers have published rumors that such a step was under consideration, and have expressed the view that it would greatly inflame Irish animosity. The soldiers employed in Ireland thus far have been regiments from the British side of the Channel, and it was commented that the use of soldiers from one Irish faction might result in a step toward civil war.

ARCHBISHOP LOGUE REPORTS THREATENING

DUBLIN, June 24.—Cardinal Logue, Archbishop of Armagh and Primate of Ireland, declared while speaking at Maynooth College yesterday that he had received warning his time was set.

The Cardinal declared he was grateful for this warning, because it would give him "time to prepare," adding: "I have always tried to do what I could for my country, and have never consciously said a word to offend anybody, no matter what his religion or politics. If I come to a sudden end, there will be no justification for those responsible."

No indication of the source of the warning was given by the aged Cardinal.

TWO INVESTIGATIONS OF VANCOUVER FIRE

VANCOUVER, June 24.—With a long list of witnesses and a large number of deeply interested spectators present, among them being friends and relatives of the deceased, Coroner Jeffs and a jury opened the inquest today over the victims of the terrible conflagration at the Balmoral Apartments on Sunday night, and started on the somewhat formidable task of ascertaining the exact manner in which each of the five victims of the fire met his or her death.

Among the witnesses were many who reached the scene shortly after the fire was discovered, as well as many tenants of the block, the majority of them actual eyewitnesses of the desperate but unsuccessful attempt made by Charles Donnehy in his leap from the fifth story window. Many of the tenants who had escaped with their lives, but who lost all their belongings in the blaze, were on hand to tell their versions of the catastrophe.

Authority to conduct a more thorough and searching investigation into all facts in connection with the Balmoral fire was received this morning by J. A. Thomson, Provincial fire prevention officer. Capt. Ian McKenzie and Inspector Walter Owen of the Provincial Police have been commissioned by the Government to assist Mr. Thomson in conducting the inquiry.

Georgia and Australian

PARIS, June 24.—Georgia and Australia have signed a treaty of peace, according to Constantinople advices. The former will continue to occupy the ports of Sukhumi, the future status of which will be determined by a mixed commission.

Help save the starving women and children by attending the meeting at the old Drill Hall, Rose Street, Saturday night. The committee needs your assistance.

ARMY OF GREECE ATTACKS TURKS

Wins Success in Operations Against Nationalists in Smyrna Region — Mustapha's Men Driven in Disorder

SMYRNA, June 24.—The Greek Army has begun an offensive against the forces of Mustapha Kemal Pasha, the Turkish Nationalist leader, according to an official statement issued by Greek army headquarters.

The Greeks are meeting with success, the statement says. The communication reads:

"The offensive of the Greek army against the forces of Mustapha Kemal Pasha began June 21. The operations are proceeding successfully. The enemy, concentrated in the vicinity of Ak-Hissar (58 miles northeast of Smyrna), was attacked both in front and on the flank. He withdrew in disorder, and Ak-Hissar was occupied by our troops. Last night we continued the advance northward. An attack against Salihli began today."

According to information given out at Boulogne on June 21, during the conference of the Allied premiers, Greece was given a free hand in the military measures in Turkey decided upon at the Hythe conference the day previously.

The premiers, it was said, found these measures were required immediately because of the gravity of the situation arising from the forces of Mustapha Kemal reaching the Dardanelles.

INDICTMENTS FILED IN OIL FRAUD CASES

NEW YORK, June 24.—Four oil companies, 10 brokerage houses and about 50 individuals have been indicted by the Federal grand jurors on a charge of using the mails to defraud investors out of millions of dollars, it was learned today when seals on the indictments were ordered broken.

Federal agents in cities in the United States are now engaged in rounding up the men indicted. They are charged with having made gross misrepresentations regarding oil properties and of paying dividends out of money obtained from the sale of stock.

The companies involved are the Ranger Oil Company, W. P. Williams Oil Company, Great Western Petroleum Company, and Crown Oil Company.

Brokerage concerns indicted were Stickney, Rawlinson & Gilclough, of Boston; Curtis, Packer & Company, United Securities Company, J. Holmes & Company, H. Morgan, Pollock & Company, Thompson, James & Company, Crossman, Sherman & Company, George A. Lamb & Company, E. M. Fuller & Company and Greenbaum, Bigelow & Greenbaum, nearly all of them with headquarters in this city.

STATE INSURANCE FOR RETURNED MEN

OTTAWA, June 24.—When the bill to cover state insurance for returned soldiers, as provided in the pensions committee report, was taken up in the House last night, Hume Cronyn, London, chairman of the committee, said rates were slightly lower than under private companies.

No medical examination was required, but the man's death must be from natural causes. Death from actual war injuries was covered in another manner. No application under the act would be received after September 1, 1922. The act would come into force on September 1, of this year. Insurance for widows of soldiers would also be provided, this to cover dependents upon the widow.

All persons eligible for insurance under the act would be notified of its passage. The act will be administered by the pension commissioners.

The bill was reported and given third reading.

Former Prince Leaves Doorn

DOORN, Holland, June 24.—Former Crown Prince Frederick William of Germany left here in an automobile Wednesday afternoon, after a visit of several days on account of the illness of his mother.

A DANGEROUS WARNING
—BLEEDING GUMS
Are your gums tender? Do they bleed when brushed? If so—watch out for Pyorrhea.
This disease of the gums, which afflicts four out of five people over forty, not only destroys the teeth, but often wrecks the health.
In Pyorrhea, the gums become spongy, then recede; the teeth decay, loosen, and fall out—or must be extracted to rid the system of the infecting Pyorrhea germs, which breed in pockets about them. These germs lower the body's vitality and cause many diseases.
You can keep Pyorrhea away. Visit your dentist often for teeth and gum inspection, and use Forhan's For the Gums.
Forhan's For the Gums prevents Pyorrhea—or checks its progress, if used in time and used consistently. Ordinary dentifrices cannot do this. Forhan's makes the gums firm and healthy—the teeth white and clean.
Start using it today. If your gums have receded, use Forhan's according to directions, and consult a dentist immediately for special treatment.
25c and 60c tubes in Canada and U.S. If your druggist cannot supply you, send price to us direct and we will mail tube postpaid.

SENATOR ATTACKS FISHERY TREATY

Chairman Jones, of U.S. Senate Committee, Writes to Secretary of State Presenting Objections to Ratification

WASHINGTON, June 24.—Should the proposed fisheries treaty between the United States and Great Britain be ratified, "it is beyond peradventure that within five years thereafter neither upon the North Atlantic nor the Pacific will there be a vessel in the sea fisheries under the American flag," Chairman Jones, of the Senate merchant marine committee, declared in a letter to Secretary Colby, made public today by the senator.

The letter was in reply to one from Mr. Colby regarding the proposed treaty between the United States and Great Britain, which would grant the Canadian fishing vessels preferential privileges in ports of the United States, with freedom from port dues or charges, now exclusive prerogatives of vessels of the United States.

"It should not be forgotten," Senator Jones said, "that the proposed treaty would open ports of the Great Lakes and the Gulf to foreign operations, and, as well, the ports of California. If these ports are opened by treaty to subjects of His British Majesty, are they to be denied, if demanded, to citizens of Japan? On the Pacific coast it was with the greatest difficulty that the Japanese were eliminated finally from the deep sea fishing off Alaska, and at the present time there are protests against the Japanese operations from California ports, notwithstanding the operations may be justified by reason of the order of the Secretary of Commerce issued February 21, 1918, which remains yet in effect."

Senator Jones said he could not concur in the statement that the matters dealt with in the treaty "received the most careful consideration," at the hands of the American-Canadian fisheries conference, or that "the fishing interests on both Atlantic and Pacific coast were given ample opportunity to express their views."

Senator Jones said that the statements in the hearing, partial though they were, did not support the statement that through the provisions of this treaty the Government will promote the development of American fisheries."

"What is required for our fisheries," said the senator, "is some truly protective legislation, rather than a treaty, and certainly a treaty based upon so one-sided a consideration of the subject as that accorded by the American-Canadian fisheries conference should not be further considered.

"If there must be treaty considerations, let them be had only after full opportunity to present all pertinent facts before an unbiased and representative tribunal or investigation."

STREET CAR FARES ARE LEFT UNDECIDED

VANCOUVER, June 24.—Although the B.C.E.R. Company has made application to the Victoria City Council for an agreement under which a 7-cent fare will be charged on street cars in the Capital City, there is no immediate prospect of similar action being taken here.

Mr. George Kidd, general manager of the B.C. Electric Company, said this morning that the Victoria lines were being operated at a loss. In the event of the B.C. Electric and Victoria Council reaching an agreement authorizing the 7-cent fare, the higher rate would still have to be sanctioned by the Dominion Board of Railway Commissioners.

STATUE PERPETUATES MEMORY OF DOLLARD

MONTREAL, June 24.—In the presence of direct descendants of Dollard des Dormeux and the members of the little band who, 260 years ago sacrificed themselves at Long Sault to defend Montreal from the Indians, a statue was unveiled to Dollard in Lafontaine Park today. The unveiling was done by Marcel de Verneuil, acting consul-general of France in Canada.

Today was declared a civic holiday by Mayor Martin. Wreaths have been placed upon the statue on behalf of the cities of Montreal, Westmount and Outremont.

The French Government was represented by the crew of the French cruiser La Ville d'Ye. The statue unveiled is the work of the Canadian sculptor, Alfred Laliberte, and cost $20,000. The fund to raise this money was commenced 10 years ago by J. C. Walsh, at that time editor of The Montreal Herald.

Had to Go to Bed Headaches So Bad

MILBURN'S LAXA-LIVER PILLS MADE HER WELL

When your liver gets sluggish and inactive, your whole health suffers. Your bowels become constipated, your head aches, your tongue is coated, breath bad, specks float before the eyes, you are bilious, have heartburn, water-brash, pain under the right shoulder, muddy and brown spotted complexion, etc.

Help the liver to resume its proper function by removing the bile that is circulating in the blood and poisoning the system.

Mrs. E. Bainbridge, 39 Maple Ave., Amherst, N.S., writes: "I take pleasure in writing you of the good I received by using Milburn's Laxa-Liver Pills for headaches. I was so bad I had to go to bed, and could not get up. A friend told me about your wonderful medicine, and two vials have made me as well as I can be."

Milburn's Laxa-Liver Pills are small and easy to take, do not gripe, weaken or sicken, do not leave any bad after effects. Price 25c a vial at all dealers, or mailed direct on receipt of price by the T. Milburn Co., Limited, Toronto, Ont.

"There's a Reason"

CONTINUES WORK OF WHEAT BOARD

Minister's Resolution Provides for Extension If Necessary —Farmers' Misunderstanding on Certificates

OTTAWA, June 24.—In the House of Commons this afternoon Sir George Foster introduced his resolution on the Canada Wheat Board. It provides for the extension of the wheat board beyond the present Summer, if necessary. Sir George explained that the act would not be necessarily put into effect. In case an extension of the wheat board was necessary the Government must have the necessary power. Speaking for himself, he hoped that it would not be necessary to put the act in force, and he thought that he expressed the feelings of his colleagues.

The Wheat Board had become last year necessary for the marketing of the Canadian crop in the face of centralizing buying in Europe. Europe remained the principal market, and if the Government there found it more economical for themselves to buy through agencies and eliminate competition next season, Canada would have to meet those conditions. Buying was still controlled in nearly every European country and France, Italy and Great Britain might continue their joint agency in the interest of economy.

Sir George referred to remarks which had been made in and out of the House respecting participation certificates issued by the Board, which were said to be worthless. On the strength of these rumors farmers had sold thousands of certificates at five cents apiece, some even giving them away. They had always found buyers, and now they were confronted with the announcement that the tickets were worth at least 40 cents each, and may be worth more as a result of advantageous marketing by the board. Some of these certificates may be paid for by the Board within the next month, Sir George thought. All will be redeemable before the end of the present year.

TRACTOR CHARGE IS UNDER PROBE

Public Accounts Committee Commences Inquiry Into Assertion That Expensive Machines Were Admitted Free

OTTAWA, June 24.—Having disposed of overseas pay accounts and war order cancellation compensation, the Public Accounts Committee of the Commons began today to probe an assertion that $407,000 was lost to Canada in duty on high-priced tractors from United States points during 1917.

It is charged that the Government permitted two implement firms to ship 700 machines duty free. Three hundred were $2,400 machines and 400 were worth $1,800 apiece.

An order-in-council passed to aid increased production in 1917 provided only for free entry of tractors selling not higher than $1,400. Customs officials, it is further charged, threatened seizure, but action was called off by Ottawa.

The Advance-Rumely and International Harvester Companies are the two firms which sent high-priced tractors to Winnipeg, avoiding duty by selling to their firms in Canada at the lower price and later raising the cost to the farmers.

The committee struck a stumbling-block when the confidential nature of customs office transactions cropped up. It was understood that an opinion of the Minister of Justice would be sought on the matter before the committee sits again tomorrow.

RELIGIOUS HEALER HAS MANY PATRONS

TORONTO, June 24.—Several hundred people, some crippled, others weak and sick, and many simply curious, waited at the doors of the St. James Cathedral today for an interview with James Moore Hickson, the United States religious healer, who has come to Toronto with a reputation, and the sanction of the Anglican Church, for religious treatment of disorders, particularly disorders of the mind.

Included in the gathering were several crippled or otherwise indisposed soldiers of the Great War, some of them in wheeled chairs and accompanied by army nurses.

Naturalization Frauds

OTTAWA, June 24.—In answer to a question by H. S. Clements (Comox-Alberni) in the House of Commons today the Government stated that it was aware of frauds perpetrated in connection with naturalization certificates, and was taking steps looking to cancellation of the certificates. There was no provision in the Naturalization Act requiring photographs on naturalization certificates.

MENNONITES LEAVE SWIFT CURRENT LANDS

REGINA, June 24.—Mennonites will leave their lands in the Swift Current district some time in July, according to a statement made to the Canadian Press, Limited, yesterday, by J. E. Friesen, administrator for the colony.

The deal involves $5,000,000, including the crop.

In an interview, Mr. Friesen said that the Mennonites have purchased 135,000 acres in Mississippi at $18 an acre.

Killed by Train

VANCOUVER, June 24.—W. Q. Linsay, aged 40, employed at the Port Moody Lumber Company's plant, was killed at Port Moody at 2:45 o'clock this morning when struck by C. P. R. train No. 1. The man was crossing the track in the direction of his place of employment, and appeared in front of the locomotive so suddenly that it was impossible to bring the train to a stop in time.

Friday, June 25, 1920

ONE-SIDED NEWS SERVICE.

A notable illustration of how Canada is dependent on the United States for British news is furnished by the reports of the world lawn tennis championships now being decided at Wimbledon. Our readers are confined, with some rare exceptions, to the results of games in which American players figure. It is American participation which is made the outstanding event of the tournament, so far as people in this Dominion are supposed to be concerned from a news standpoint, and, except where they figure in matches with the visitors from the United States, the English, South African, New Zealand and Australian players might not be endeavoring to uphold the honor of the Empire on the courts. The French players engaged, who are amongst the best in the world, do not secure much publicity and altogether the tenor of the dispatches with which we are furnished leave much, if not everything to be desired from a British standpoint.

It is much the same with the dispatches received in this country about golf tournaments. The British Open Championship is now in progress, but the probability is that all the dispatches connected therewith will deal with the fate of the couple of Americans who are endeavoring to win the title, and this despite the fact that the fame of Vardon, Ray, Mitchell and Duncan is more widely known to the people of Canada than that of either Barnes or Hagen. When the Olympic Games are in progress the people of Canada must expect to labor under the same handicap regarding the reports of the different events. Because the United States news organization carries these reports every consideration is paid to making the deeds of American contenders in sports assume such prominence as to almost eliminate interest in the rest. From our standpoint we have no right to criticize the way in which the American newspapers want to receive the news of those of their country who participate in international sport, but the press of this Dominion is sadly lacking in its duty to the citizens in not supplying a purely British-Canadian news service.

At the annual general meeting of the Canadian Press, Limited, held recently in Toronto, the question of a British-Canadian news service was considered, but what was done holds out but little hopes. The newspapers of this country do not appear to be sufficiently wealthy to establish a cable service of their own. The Canadian Press, Limited, so far as we know, has no arrangement with Reuter's, the Exchange Telegraph Company, or indeed with any organization of importance outside the Associated Press of the United States. Reuter's is admittedly by far the greatest and most reliable British news collecting agency in the world, and a service to Canadian newspapers through that source would be of immense value to the reading public. Since Reuter's has come completely under British control, owing to a recent reorganization, there can be no suggestion that foreigners exercise any influence on the character of the news it disseminates. Nothing would tend more to improve the telegraphic news service which appears in the newspapers of this country than an arrangement to get all British and world news, outside of the United States, from Reuter's agency. The question of a reform in the present news service should be of absorbing interest to the reading public.

MANITOBA'S ELECTIONS.

The results of the Provincial elections in Manitoba on Tuesday next will be scrutinized with a great deal of interest not only by politicians but by the general public. The contest will be the second real test of public opinion on matters political in this country since the conclusion of the war. It will determine, to a certain extent, the attitude of the public mind under what are characterized as conditions of dissatisfaction towards the commonly accepted political parties. The people who call themselves reformers (some of them use a stronger descriptive term) are not as strong in Manitoba as in other provinces in which industries other than agriculture are strongly developed, but in the city of Winnipeg advanced labor and socialistic views are entertained by a very large element of the community, and that element has candidates in the field in every constituency and the test to be applied will indicate the real strength of the movement whose advocates have been making so much noise and creating considerable social and industrial disturbance there.

There are no less than forty persons seeking election in ten Winnipeg seats, and they represent Conservatives, Liberals, Labor (of both advanced and moderate schools), independents and veterans of the war. The ballot will be marked in the Manitoba capital on the proportional representation system, and it is said to be the longest document of its kind ever presented to voters in Canada. Like everything else, methods of elections are proceeding from the simple to the complex in certain parts of Canada, and the chances are that there will be many spoiled ballots in Winnipeg on Tuesday and that it will take considerable time to count them and determine the choice of the people. The Norris Government has candidates in every constituency, and the Conservatives will have representatives opposing every one of them. The Government, of course, claims to have the utmost confidence that it will have a substantial majority in the new Legislature, but every administration on trial makes a similar claim. The state of the public mind everywhere makes the result of any election extremely doubtful, though we anticipate the return of the Norris administration.

THE TUBERCULIN TEST.

The new regulation affecting the tuberculin test of cattle in the Province hardly seems designed in the interests of the public. In effect the order-in-council looks as if it was providing a safeguard, whereas in reality it is not. It merely prohibits the payment of compensation for tubercular animals killed, except upon the certificates of Provincial Veterinary Inspectors that the carcases of such animals have been permanently disposed of in some manner other than for food for consumption by either man or animal. It means that the owner of a tubercular animal can refuse the compensation and dispose of the carcase as meat, and apparently an opinion prevails that the Province has no legal authority to prohibit the sale of such infected meat. If it has not then such authority should be secured.

There is another point that arises in connection with the new regulation which requires elucidation. Are we to understand that in future the killing of an infected animal is not compulsory? The Provincial Veterinary Inspectors make the test, and, presumably, have the power to order the destruction of the animal, but do they in every instance see that their orders are observed? Since they no longer are to exercise any control over the disposition of the carcase, except where evidence is submitted when such carcase is destroyed and compensation claimed, it is not at all clear that it is within their purview to see that the infected animal is killed. A retrograde step in the matter of fostering healthy herds in the Province appears may have been taken by the latest order. It opens up a field for the sale of infected meat that is bound to create alarm. It will cause perturbation among the owners of herds if it is found that it does not mean the compulsory killing of infected animals. The circumstances which led up to this order-in-council and the reasons why departmental experts were not taken into the confidence of the Government deserve a full airing.

A SCORE OF WARS.

The general, if not the universal, expectation throughout the world was that when the Great War came to an end the people of all lands would heave a sigh of relief and proceed actively upon the peaceful pursuits of industry. That expectation has not been realized by any means, far from it; and no less an authority than a British Field Marshal states that it cannot be realized. A soldier is not always a reliable authority on such matters, but Sir Henry Wilson, in support of his assertion, points to the fact that at a time when it was assumed general peace would prevail there are at present between twenty and thirty wars of varying dimensions proceeding in different parts of the world. Why one big war should be provocative of many little ones is explained only by the fact that many peoples have been released from the bounds that formerly encompassed them and they are not disposed to accept new classifications. Humanity always reaches out for what it dreams must be improved conditions. The point that strikes the British Field Marshal is contained in the following statement: "We are living in tickliish and dangerous times, and our command on sea, on land and in the air is being challenged in various parts of the world." It is indeed a mad world, my masters.

SAYS MONTENEGRINS SUFFER HARDSHIPS

LONDON, June 24.—Alexander Davine, the Montenegrin Minister to Great Britain, in a letter to Earl Curzon of Kedleston, Secretary for Foreign Affairs, urges the secretary to obtain from the Serbian Government permission for British relief work in Montenegro "among the starving and naked Montenegrins."

The letter charges that the American relief missions in Montenegro have been "either bamboozled or have played into the hands of the Serbians, and that the American relief that has entered the country has been used for political purposes, and none of it has gone to those Montenegrins who happen to take a different view to the Serbians who have usurped their country, and who wish to be independent.

Mr. Davine declares that the Serbs refused the British relief workers permission to enter the country, "where people are dying in misery from starvation and are suffering the most terrible privations."

There are in the State of Pennsylvania over 1,500,000 motor cars.

Dainty Gowns, Special Value, $2.49

Slip-Over and high neck styles, trimmed with lace and embroidery. Special value, $2.49.

Gordons Ltd.

739 YATES STREET PHONE 5510

54 inches, at, yard, $7.50.

IN THE COURTS

Court of Appeal

Hearing was concluded in the Court of Appeal yesterday of argument as to questions submitted to the court by the Attorney-General in the Constitutional Questions Determination Act, and in the Japanese Treaty, 1912. The judgment of the court was reserved. Hon. W. J. W. de B. Farris, K.C., Attorney-General, appeared for the Province, and Mr. A. P. Luxton, K.C., represented the Minister of Finance. Mr. Charles Wilson, K.C., appeared for the Minerals Affairs of British Columbia, and Sir Charles H. Tupper, K.C., for the Canadian-Japanese Association.

Hearing was begun in the Court of Appeal yesterday of the case of Garrard vs. Lund. The case will be further argued today. Mr. D. S. Tait is appearing for the plaintiff-appellants, and Mr. Clarence Darling for the defendant-respondent.

Peremptory List

The peremptory list of cases set for hearing in the Court of Appeal today is as follows: Garrard vs. Lund (at bar); and Rex vs. Kramer.

Supreme Court

An interpleader action in the case of Waits vs. Nicholson was tried by Mr. Justice Macdonald in the Supreme Court yesterday. The action was brought to determine the ownership of the schooner Seabird, now lying in the Inner Harbor, in the care of the sheriff. The plaintiff sold the boat to the defendant for $1,500, of which only $[illegible] was paid. The plaintiff secured himself for the balance by taking a second mortgage on some timber lands. When the time came for the paying of the $1,000, and the sum was not paid, plaintiff started an action against the defendant, and the boat was seized by the sheriff. Paul Hanson and Vigo Bonn then put in a claim for a one-third share each in the boat, alleging that they had bought such shares from the defendant.

The learned judge gave judgment against Bonn in favor of the plaintiff, and awarded Hanson a one-third share in the boat. The court was judged to sell a two-thirds interest in the boat. Mr. H. A. Maclean, K.C., appeared for Hanson and Bonn, and Mr. R. C. Lowe for Mr. J. Percival Watts.

County Court

In the County Court yesterday the suit of Gray vs. Bird came on for trial before His Honor Judge Lampman. The plaintiff claimed $675 and costs in respect of sums advanced on a contract which it was alleged had not been performed. Judgment was given for the plaintiff in the sum of $[illegible] and costs. Mr. A. J. Pattison appeared for the plaintiff, and Mr. J. H. Clementson for the defendant.

WARD SIX TO VOTE DOWN MONEY BY-LAWS

Ratepayers Pass Resolution Against Water and Sewer By-Laws Until Conditions Improve

The ratepayers of Ward Six of Saanich will vote against all money by-laws until times become normal. This decision was incorporated in a resolution passed at a meeting of Ward Six Ratepayers' Association in Keating Temperance Hall on Wednesday evening. The matter under consideration was the water and sewer by-laws which will be voted upon in July.

The meeting was of the opinion that with the present unsettled conditions and high cost of materials and labor big works should not be undertaken. It was the belief of those present that the water system proposed for Gordon Head was not for irrigation but for domestic purposes, President Tanner pointing out that the Gordon Head growers admitted they would require huge storage tanks if the system was to be of any value from the farming standpoint.

School questions were reviewed by Trustee Holloway. Not long ago Ward Six Association passed a resolution asking for a referendum on the school "bills," manual training, domestic science, and school gardening. Municipal Clerk Cowper states that to put such a referendum a petition signed by one-fifth of the voters would be required. The meeting decided to ascertain whether this was the only method by which a by-law could be procured.

Mission Merger Organized

ST. LOUIS, June 24.—Formal organization of the United Christian Missionary Society, a merger of the various boards of the Christian church, was perfected at a meeting of the executive committee here yesterday.

Canadian Pacific Earnings

MONTREAL, June 24.—Canadian Pacific Railway earnings for week ending June 21, 1920, $3,576,000; increase, $454,000.

INFECTED MEATS MAY YET BE DISPOSED OF

New Order by Provincial Government Only Calls for Payment of Compensation in Event Carcass Is Destroyed

A new regulation respecting the tuberculin test in the Province has just been decided upon by the Executive Council, one which calls for the payment by the Province of compensation to owners of infected cattle only in the event of the carcass being destroyed to prevent its being used for food purposes.

The order-in-council recently passed sets forth that whereas, there is reason to believe that tubercular cattle are being sold for human food, it is recommended "That no moneys shall be paid under authority of vote 18 as compensation for tubercular animals killed except upon the certificate of a Provincial Veterinary Inspector that the carcass of such animal has been permanently disposed off in some manner other than for food (either directly or indirectly) for consumption by either man or any animal."

Effect of Regulation

The above regulation will not prevent the disposing of such infected carcasses for food purposes. The owner of an infected animal may sell the meat to a butcher, abattoir or otherwise. In the event of his so doing he will not be entitled to compensation from the Government.

The practice hitherto has been that where the animals were tested and reacted and were killed the Government would grant compensation up to $50 per animal. If the carcass were sold, the amount received by the owner was offset against the amount of compensation paid. During the past three years, according to returns submitted to the Legislature, infected meat valued at approximately $45,000 was sold for human consumption, though members of the present administration were wont, when in opposition, to roundly condemn the former Government for permitting such a sale. When the subject was being debated at the recent session, Hon. E. D. Barrow, Minister of Agriculture, stated it was proposed to put a stop to the sale of such infected meat for human consumption. The new regulation, however, will not do so, though it will debar any owner of an infected animal ordered killed from securing compensation unless the carcass is destroyed.

Experts Not Consulted

The new regulation was passed, it is stated, without the departmental experts being taken into the confidence of the Government, and the order is signed by Premier Oliver as acting Minister of Agriculture in the absence of Hon. E. D. Barrow.

Premier Oliver is of the opinion that the Province has no legal authority to prohibit the sale of such infected meat to be subsequently used as food for human consumption. That is a matter, he holds, for the municipal or Federal inspectors. All that can be done, he considers, is to ensure destruction of the carcass by refusing to pay compensation unless that step is taken.

But it is a fact that in many cases a carcass is worth more sold as meat than the amount of compensation paid, and owners would profit more by refusing the compensation and selling the meat. Apparently the position is that the sale of such meat for human consumption is left wholly to the discretion of the owner of the carcass.

IMPERIAL PENSIONS

Local Secretary Receives Scale of Increases to Be Paid by Government

The decision of the Imperial Government with regard to the granting of increases of pension to those pre-war pensioners whose means are too small to meet the increased cost of living was recently announced in the House of Commons. The relief granted will apply to pensioners aged 60 years or over, or those retired for disability, whose total income does not exceed 200 pounds a year in the case of a married couple, or 150 pounds in the case of a single pensioner. Widows in receipt of pensions granted in respect of services, rendered by deceased husbands will be granted the increase at the age of 40.

Following is the scale of increases, which will be effective as from April 1st, 1920:

Pension of 50 pounds, (married or single), increase per cent, 50.

Pension of 51 to 100 pounds, (single), increase per cent, 40.

Pension of 51 to 130 pounds, (married), increase per cent, 40.

Pension of 100 to 150 pounds, (single), increase per cent, 30.

Pension of 131 to 200 pounds, (married), increase per cent, 30.

Similar relief is to be given to such officers and men pensioners of the navy and army as have in the past been disabled by peacetime injuries.

Persons who will benefit under the above regulations may obtain full information by writing the secretary of the Imperial Veterans in Canada, Local No. 2, P.O. Box 317, Victoria.

Charge Against Teachers

VANCOUVER, June 24.—Principal Clarence R. Messenger and School Teacher H. McDonald, of the Livingstone School, are defendants in a suit launched in the County Court yesterday on behalf of Arthur Hansen, a pupil. It is alleged that the defendants thrashed the youngster with a leather strap so severely that a doctor had to be called in. A sum of $10 damages is asked, of which $15 is for medical fees.

Sleeds and Teachers

PARIS, June 24.—The Council of Ambassadors yesterday discussed a proposition to replace the plebiscite in Upper Silesia and Teschen by an arbitration commission. The proposition will be submitted to the Polish and Czecho-Slovak Governments, with the request that they submit their official point of view on the question.

The Jewish Relief Committee wants volunteers to assist them. Come to the meeting Saturday night at Dirt Rose' old store on Government Street.

GRIP, INFLUENZA

Humphrey's Wizard Oil a Reliable, Antiseptic Preventative

During influenza epidemics spray the nose and throat several times a day with one part Wizard Oil and two parts water, using an atomizer. If you haven't an atomizer, gargle the throat and snuff the mixture up the nose. This treatment sets up an antiseptic wall of defense against "Flu" germs.

Chest colds and sore throat lead to grip. Stop them at once with Wizard Oil before they can develop into dangerous influenza.

Get it from druggists for 30c. If not satisfied, return the bottle and get your money back.

Ever constipated or have sick headache? Just try Wizard Liver Whips, pleasant little pink pills, 30c at druggists. Guaranteed.

"I DID IT," ROTARY HEADS MODESTLY SAY

President and Past-Presidents Hold Audience Enthralled as They Put Forward Bids for Popularity

"I did it; thank me."

This was the underlying sentiment, modest and yet clear-cut, that rippled through the speeches made to the Rotary Club yesterday by its president, Cliff Denham, and his five illustrious predecessors, Jack Scott, Joe O'Connell, Percy Abell, Jimmy Hunter and Frank Higgins.

The members were thrilled as never before as their leaders of today and ysterday put forward their claims to greatness. Memories of notable events almost forgotten were recalled as the speakers recited some of the outstanding achievements that stamped their respective administrations as being without flaw and superior to the other follow's. The spirit of self-abnegation and unostentatious service, dominant principles of Rotary, was made to live with a vigor never before approached as the orators reluctantly declared that they were not properly appreciated and beamed when their colleagues responded with belated recognition.

The whole thing started when President Denham asserted that the Rotary Club here had not justified its existence. Frank Higgins, first president, sprang to his feet and declared that no one had the right to make such a statement. He pointed to the original ideals of Rotary and said that if the club had lately shown a tendency to depart from these it was the fault of the later administrations. Mr. Higgins held that while he was president the Rotary Club was a model organization that accomplished results. He roundly scored Mr. Denham for his sweeping charges, saying that they completely ignored the early achievements of the club when it was a real force in the community.

Not All Failures

Jimmie Hunter resented the inference by Mr. Higgins that every administration except the first had been a failure. As a matter of fact, he claimed, the Hunter term of office was replete with activity of great value to the community and he outlined some of the things for which he deserved the credit.

This was too much for Percy Abell, third president, who contended that the previous speakers had forgotten the red letter year of the club's existence, which incidentally was honored by his tenure of the presidency. It was while he was president and largely because of it that the Governor-General of Canada and a Premier of the Province had seen fit to be guests of the club.

But while the first three presidents had done a few things in their own home town and had received honors here, Joe O'Connell, fourth president, reminded his hearers that it had remained for him to win Rotary laurels in foreign fields. His career as president had been a succession of triumphs at various conventions, he averred.

Old Timers Are Curse

"The curse of Victoria is its old-timers," broke in Immediate Past President Jack Scott. "These men who have just spoken to you are old-timers." A tremendous ovation greeted this assertion—a convincing demonstration of the warm esteem in which the fathers of Rotary in Victoria are held by the present membership. Mr. Scott proceeded with enthusiasm to declare that when he retired from the presidency there was money in the treasury. He didn't need any, he added. He recalled that the first thing he had done as president was to take the club to church, in spite of the fact that strawberries and cream and dancing were needed as an inducement.

Cliff Denham thought it was time to declare a halt. There had been a whole lot said and most of it was bunk, he declared. He felt that, if presidential records were under discussion, his own was comparable to any that had gone before, although he had been in office only a few weeks. "Jack Scott may have taken you to church," he said. "But the first thing I did was take you to jail, and that's where you belonged."

Altogether, yesterday's luncheon was a pleasing affair, made all the more so by the fact that some members thought it was intended to be serious.

ACUTE DISEASES TREATED AT HOME

Treatment With Simple Herb Remedies Accomplish What Drugs Fail to Do

Any person who doubts the value of herb remedies should read carefully the booklet, "The Road to Health," which may be secured at Ivel's Pharmacy, Victoria; Lang's Drug Store, Esquimalt, and at most drug stores throughout B.C.

This booklet tells the full facts about Wonder Health Restorer, the herbal remedy, which is doing such wonderful work all over this continent. Herb remedies are the oldest form of medical treatment in the world, but in these days of drugs, operations, etc., many persons think they are altogether too mild for disease except in mild forms. The exact opposite is the truth. Herbs with their wonderful medicinal properties often give relief when physicians have said relief was impossible, when drugs have failed, when operations have failed to restore.

Among the cases noted in "Road to Health," where Wonder Health Restorer brought relief, is that of Mr. H. Duncan, of Vancouver, who has been a sufferer from Bronchial Asthma since childhood; Mrs. J. Glenday, who was in agony for years from an attack of Inflammatory Rheumatism; Mrs. E. A. Kemp, who suffered for years and underwent an operation for stomach trouble without relief; Lucy McKinnon, a Seattle nurse, who was a nervous wreck due to overwork during the "flu" epidemic; Mr. P. A. Hunter, whom the "flu" left in a chronic state of ill-health. All these persons testify to the marvelous work of Wonder Health Restorer and their testimonials are but a few of the thousands on record.

Wonder Health Restorer is a remedy which may be taken without the least danger. It contains nothing but herbs, and there is not a trace of alcohol or drugs in it. Its primary action is on the blood, but the herbs it contains provide for the restoration of every organ and part of the body to normal power. It is without an equal for the treatment of practically all human diseases.

The preparation may be obtained at Ivel's Pharmacy, Victoria; Lang's Drug Store, Esquimalt, and at most drug stores throughout the Province. If your druggist cannot supply you, send direct to the Distributors, Mr. W. T. McCarter-Burr Co., Ltd., 946 Hillside Avenue, Victoria. Phone 4656. (Advt.)

BAN HAS BEEN PUT ON SUGAR EXPORTS

Federal Minister Assures Premier Oliver No Permits Are Granted for Shipments of Sugar Out of Country

Permits for the export of refined sugar are not being granted by the Dominion Government, according to a communication which Premier Oliver yesterday received from Hon. Sir George E. Foster, Minister of Trade and Commerce. Not only will no permits be granted, but none have been for some months, the communication states, and the customs authorities have been instructed to enforce the Government dictum on this matter.

This information comes in response to the action of the Provincial Government in bringing to the attention of the Federal authorities the terms of the report made to the recent session of the Legislature by the special committee which investigated the sugar shortage and also the position in which the fruit industry of the Province will find itself were no adequate supply of sugar available this year for preserving purposes.

In his communication Sir George Foster stated that the Dominion is taking such steps as are possible to ensure a reasonable supply of sugar for Canadian consumption, but he points to the fact that world conditions are such that the Dominion cannot do more than provide that such raw sugars as may be imported into the country shall be refined therein and held for Canadian consumers. But, it is further pointed out, the supply of raw sugar by no means equals the world's demands, with the result there has been a rapid and large increase in prices which, naturally, will be reflected in the price of the refined article. Further, there has been a marked increase in the consumption of sugar both in Canada and the United States. But the Provincial Government is assured that everything possible for the Dominion to do to ensure supplies for domestic requirements both of consumption and for the use of the fruit industry will be done.

BOYS' NAVAL BRIGADE

Weekly Orders, June 24, 1920.

There will be a parade of all hands and both bands at 4:30 p.m. on Tuesday, June 29, at the Ship's Office, to proceed to the launching of The Canadian Winner at the Harbor Marine Yard. Dress, No. 3's with gaiters. The commanding officer wishes the fife band to be able to play the National Anthem by that time.

(Sgd.) W. H. HOTHAM,
Lieut. R.N.V.R., C.O., B.N.B., V.D.

Guatemala Government Recognized

WASHINGTON, June 24.—The Herrera government in Guatemala, which succeeded that of Dr. Matrada Cabrera, has been recognized by the United States, it was announced today at the State Department.

CONTESTED WILL IS FINALLY SETTLED

Testator's Widow Is Obliged to Accept $4,000 Out of Total of $81,000 Left by Husband

A settlement has been arrived at in the Edward Bray contested will case, the trial of which took place last March in the Supreme Court before Mr. Justice Morrison, when judgment was reserved.

Mr. W. J. Taylor, K.C., and Mr. W. A. Brethour represented the widow, who sought to set aside the two wills made by her husband, on the grounds that at the time of making the wills he was suffering from insane delusions. Mr. B. T. Hankey represented the executors and sought to uphold the wills.

According to the testamentary disposition of the testator the widow received a legacy of $4,000. Had both wills been set aside she would have taken the whole of the estate left by her husband, which for the purposes of succession duty was valued at over $61,000.

The settlement arrived at, which in the circumstances is considered a favorable one for the residuary legatee, is that the widow gets an annuity of $125, to commence as from her husband's death, and the balance of the estate goes to the residuary legatee in accordance with the terms of the last will.

Deaths in Gelsenk Food Riots

BERLIN, June 24.—Seventeen persons have been killed in Ulm, Germany, and five at Ravensburg, and numerous persons wounded in both towns during famine riots.

Destruction by Insect Pests

CHICAGO, June 24.—More than 100 foreign insect pests are causing annual crop loss of half a billion dollars in the United States, Dr. T. Galloway, a Government plant specialist, told the American Association of Nurseries today.

City and District in Brief

Board of Trade Council—The Council of the Board of Trade will meet at the board room on Tuesday, June 29, at 10:30 a.m.

Holding Picnic Today—The pupils of the Gorden Head School will hold their annual picnic this afternoon at St. Margaret's Beach, Gorden Head.

Bank Clearings—The total clearings of the Victoria clearing house for week ending yesterday were $8,318,460, while for the corresponding week last year the amount was $7,312,700.

Elk Lake Development—Mayor Porter, Aldermen Todd and Sangster made a trip to Elk Lake yesterday and as a result of the visit decided to have the filter beds cleared so that the place may be developed this Summer as a swimming resort.

Sale of Work Today—A sale of work in aid of the Victoria Boys' Naval Brigade will take place at the residence of Mrs. A. L. Marchant, 504 Michigan Street, today. Fortune telling and afternoon tea will be two interesting features of the occasion.

Students' Welfare League—A meeting of the Students' Welfare League will be held in the Liberal rooms, Arcade Building, at 8 o'clock this evening. The special business of the gathering will be the consideration of the Summer programme.

Applied Psychology—Mrs. Hele Ash announces that she will discontinue her Friday evening lectures and classes in applied psychology until after her return in September from her visit to California, for which she will leave early in July.

Stamp Tax Repealed — R. Jones, collector of Inland Revenue, yesterday received the following message: "Stamp tax on patent medicines and toilet articles is repealed from June 17 inclusive. Stock on hand on the date mentioned may be sold without stamping."

Address to Red Cross Workers—Red Cross workers are cordially invited to an address which will be given by Dr. G. F. Fitzgerald, Professor of Hygiene, University of Toronto, on "The Red Cross in Peace Time," at the Empress Hotel, today, at 3:30 p.m.

Bazaar Saturday—A sale of work and bazaar has been arranged for Saturday evening next by the young people of Emmanuel Baptist Church. Refreshments and ice cream will be on sale and a musical programme rendered, which will commence at 7:30. Of special interest to children will be the bran pie.

Aerial League Meeting—A general meeting of the Aerial League of Canada, Victoria branch, will take place on Tuesday at 8:30 p.m. It is expected that Major MacLaurin, on the Air Board staff of Vancouver, will be over to deal with matters in connection with the recent regulations in control of air traffic and the establishment of air stations on this coast.

Motors in Collision—In a collision between two motor cars driven by Mr. J. Rogerson and Mr. Deacon at the corner of Earsman and Chandler Avenue yesterday afternoon at 5:30 o'clock considerable damage was done to the machines, but the occupants of the motors were not injured. At the point is a dangerous corner and it was when rounding it that the two motors came together.

New Deputy Registrars—A lengthy list of new Deputy Registrars appointed by the Provincial Government to carry on the registration of electors in the preparation of the new Provincial voters' list is contained in the current number of the Provincial Gazette. Mr. W. Wesley Newton, of Victoria, is named a deputy registrar for the Victoria, Esquimalt and Saanich ridings as are also Mr. S. H. Creech, Miss Winonah Marlatt and Mr. Fred Sargent.

Fined Under Sewer By-law—In the Esquimalt Police Court yesterday, four residents of the municipality were charged with failing to make connection with the sewer after due notice had been given of the necessity for such action. A fine of $10 was imposed in each case. It is understood that this is the commencement of a round-up of delinquents of this kind, there being large numbers in the municipality who have deliberately ignored the requirements of the by-law in that regard.

Select Officers—New officers were elected at the semi-annual meeting of the Cooks' and Waiters' Union, Local 459, held on Tuesday night, as follows: President, Mr. Alfred Hoskyns; vice-president, Miss Laura Garmus; financial secretary, Mr. W. H. Hatcher; recording secretary, Mr. L. H. Chamberlain; treasurer, Mr. Alexander Gordon; inside guard, Mrs. M. Stelts; chaplain, Mr. David Lynch; executive board, Miss W. Murton and Messrs. P. Walsh and F. Stelts. These officers serve for the ensuing six months.

Advertising City—Mr. L. D. McLean returned home yesterday after spending the first two days of the great Shriner convention in Portland. He says that Portland handled the 100,000 visitors in a remarkably fine way. Among the hosts of Temples represented at the convention with their patrols and bands, Mr. McLean avers that Gizeh Temple of Victoria "put the city on the map" most effectively. The patrol of the local temple had an adaptation of the Kilts for their regalia, and with their pipers' band secured the lion's share of attention during the convention.

Provincial Appointments—New appointments made by the Provincial Government are: To be notaries public, Messrs. I. E. Haight, of Fort St. John; H. P. Strain, of Genoa Bay; R. B. W. Pirie, of Vancouver; D. Sturgeon, of Rose Lake; Samuel L. Crop, of New Westminster; E. R. Bloomfield and Frank Barber, of Vernon; Walter Scott, field supervisor of the Soldier Settlement Board at Clinton; B. G. Robinson, of Victoria; Felix A. Jones, of Vancouver; James S. Dickson, of Enderby. Messrs. W. E. Carsley, of Kaslo, and F. S. Marsden, of Vancouver, are named commissioners for taking affidavits. Mr. W. A. Woodward, of Roberts Creek, is appointed a justice of the peace.

Miners' Examinations—Results of the recent miners' examinations held at Merritt, Fernie, Nanaimo and Cumberland are announced by the Provincial Department of Mines, as follows: First class mine manager, Arthur Newbury, of Nanaimo; second class mine overmen, William Beveridge, Cumberland; M. D. MacLean, Michel; Benjamin Ball, Michel; Louis Francesini, Cumberland; John Gilham, Nanaimo; William Park, Nanaimo. Third class fire bosses, Edward Hardy, Fernie; Robert Taylor, Natal; Robert Clarkson, Natal; Henry Farrymah, Michel; Robert McFegan, Michel; Joseph Travis, Bankhead; Joseph Lavin, Nanaimo; Robert Drybrough, Merritt; William Ross, Merritt. Mine surveyors, George W. Waddington, Merritt; Robert Strachan, Cumberland.

CLOSING EXERCISES IN PUBLIC SCHOOLS

Presentation of the Prince of Wales' Flag Will Take Place This Morning at Margaret Jenkins School

Yesterday closing exercises in the city schools were in progress and will be continued today, after which boys and girls will have some weeks of Summer holidays. Every school has prepared a special programme for the event, and many of the classrooms have been elaborately decorated. Honor rolls will be distributed, and at some of the schools there will be special prizes and speeches.

Margaret Jenkins—At 10 a. m. this morning will be the presentation of the Prince of Wale's Flag won by this school in the thrift competition. The Margaret Rocke Robertson Chapter, I. O. D. E., will present the picture of the Prince of Wales in commemoration of Peace Year. Hon. J. W. de B. Farris has signified his intention of being present at the presentation of honor poles and prizes. Lieut. Helmsing of the Navy League will give an address and present the prizes for the essay on the navy.

HONOR ROLLS

South Park School

Division X—Proficiency, Fred Bolshaw; deportment, Nellie Bradshaw; regularity and punctuality, Kathie Scrogie.

Report on Polish Front

LONDON, June 24.—Bolshevik forces are continuing to drive back the Poles along the Zemerinka-Proskuroff railway, southwest of Kiev, says Wednesday's official communication, issued at Moscow and received here by wireless. The start of a fierce battle, west of Retchitsa, is also reported. The Poles are said to be supported there by two armored trains.

Allied Debts to U.S.

LONDON, June 24.—The British Treasury Department today authorized the statement that no proposition for dealing with the Allied indebtedness to the United States was discussed either at the Hythe or Boulogne conferences. Neither have any of the governments represented at those conferences ever suggested the repudiation of their obligations, it was added.

Poles and Czechs Fight

PRAGUE, June 24.—Sharp fighting between Czechs and Polish frontier guards is reported from Karwin. French troops have occupied this region and the Italians have moved into Teschen.

Furniture for Porch or Summer Camp

FESTIVITIES TO BE HELD AT "MOUNTJOY"

Ladies of Christ Church Cathedral Change Scene of Proposed Garden Fete From "Gonzales"

Through the kindness of Mr. and Mrs. F. B. Pemberton, the garden fete and sale of work arranged by ladies of Christ Church Cathedral parish in aid of taxes on the Cathedral and Bishop's Close property will take place at their residence at "Mountjoy," 601 Foul Bay Road, on Wednesday afternoon, June 30, instead of at "Gonzales."

The beautiful grounds of "Mountjoy" are not so well known to Victorians as the more frequently visited estate at "Gonzales," and many will welcome the opportunity provided for seeing them on Wednesday next.

In charge of some of the many stalls and booths in connection with the sale of work are the following ladies, many others contributing to the various stalls and acting as assistants: Fancy work (1), Mrs. Thomas; fancy work (2), Mrs. F. B. Pemberton; linen, Mrs. Calliher and Mrs. Luxton; candy, Mrs. Mayhew; home cooking, Miss Lettice; market stall, Mrs. Kenway; flower stall, Miss Pooley and Mrs. R. Beaven; ice cream, Miss Agnew and Mrs. Wrigglesworth; toy stall, Mrs. Harris; fishpond, the Cathedral Sunday School; superfluities, Mrs. Forbes.

PREDICTS RECORD TOURIST TRAVEL

President of Canadian Tourist Association Predicts Great Rush of Eastern Visitors to Victoria Next Season

Mr. John Hooper, president of the Canadian Tourist Association, with headquarters in Toronto, predicted yesterday that next season Victoria will have the greatest rush of tourists in her history, and he expects that the visitors will begin to arrive early in the Fall. Mr. Hooper reached the city with his wife and boy on the steamer Governor, and he was most emphatic in his opinion, declaring that he did not think Victoria had enough hotel and house accommodation to take care of the people who will come.

Speaking to The Colonist, Mr. Hooper said that he is now on his way East from Los Angeles, and he remarked that he was very glad to reach Victoria, not only on account of its beauties, but because the trip from San Francisco was too rough for his taste. He said that it was nine and half months since he was here and he is on a 4,000-mile trip. From Victoria he will go to Winnipeg, Toronto, Niagara Falls, Atlantic City, Coney Island, Put-in-Bay, Battle Creek, Mount Clements, Detroit and Buffalo.

In Spite of Exchange Rate

Mr. Hooper said that 12,800 Canadians registered during the season in California, 5,000 of them being at the Los Angeles beaches, Ocean Park, Venice and Santa Monica. Winnipeg alone was represented by 1,000 tourists. The largest number of city people ever known in California were present, but fewer farmers and grain growers. More than 2,000 other people were turned away. This year, for the first time, Ontario beat both Alberta and Saskatchewan, which formerly have had the largest number of Canadian visitors in California.

Detroit, which will be visited, is really a gateway for tourists, and Mr. Hooper remarked that his tour really started there. Canadians, principally from Ontario, go through there, and the reason American centres are included in his itinerary is that he will try and induce tourists to come West over Canadian lines and to include Victoria in their journey.

Work With Victoria

It is the desire of the association to work in close accord and harmony with Victoria, and Mr. Hooper, who is lecturing for one of the largest ocean steamship lines, and also for one of the largest railways, mentions the high cost of living which he calls "the cost of high living."

The high rate of exchange, which has been from 8 cents to 20, and now is 12½ to 14½, will have a tendency to bring tourists to Victoria, and even if it comes down to 5, they will be glad to come. The Mainland is a little too damp for people who are in search of health, said Mr. Hooper, and Victoria offers special attractions to that class of tourist.

Before leaving, Mr. Hooper intends to secure a stock of Island Development Association literature, explaining the attraction of Victoria and the surrounding district. While here, Mr. Hooper is staying at the St. James Hotel.

PRIZE WINNERS IN RECENT FLOWER SHOW

Classes Strongly Competed—Children's Collections Well Represented, and School Garden Products Shown

The following is the prize list in connection with the Lake Hill Women's Institute Flower Show held recently:

Adults' Class

Best Decorated Table—Institute members only; prizes given by Department of Agriculture. 1st, Mrs. Mercer; 2nd, Mrs. M. L. Calvert; 3rd, Mrs. Styne.

Best arrangement of Pansies—1st, Seldon Calvert; 2nd, Harold Heatherington.

Best Sweet Peas (6) from school garden—Eleanor Davison.

During the afternoon a programme of musical selections was offered by the school children under the supervision of their teacher, Miss Offerhaus. Mrs. Ferris occupied the chair and Mr. Deverson acted as judge of the flowers display, in which work he was assisted by Miss Winkle.

American Found Kiev

WARSAW, June 24.—The Americans who were in the thick of the fighting around Kiev recently have reached Warsaw safely. They were the last to leave the city, and were forced to pass through the zone of fire. The American convoy of trucks and ambulances was surrounded at times by troops of Petlurists, cavalry, and twice narrowly escaped capture.

WHERE TO REGISTER

Electors of Victoria, Esquimalt and Saanich desirous of getting their names on the new Provincial voters' list, now in course of compilation, may register at the following places in the three ridings:

Victoria District

Central—St. Francis Hotel, lower Yates Street, north side.

Victoria West—414 Skinner Street.

Douglas and Burnside—657 Burnside Road.

Hillside Avenue, east—2744 Cedar Hill Road.

Oak Bay Junction — Brook's Store.

Fairfield—249 Cook Street.

James Bay—Niagara and Menzies Streets.

Esquimalt District

Sailors' Home, corner of Admiral's Road and Esquimalt Road.

Saanich District

Chave's store, corner of Bolestin and Saanich Roads.

Riley's Drug Store, corner Saanich Road and Cloverdale Avenue.

McLeod's store, corner of Tillicum and Gorge Roads.

Tomes' Shoe Shop, Burnside Road.

A. E. Horner's store, Mount Tolmie.

Municipal Hall, Royal Oak.

Oak Bay Municipal Hall.

And at the following post offices throughout the riding: Sluggetts, Saanichton, Colquitz, Mount Tolmie and Royal Oak.

OBITUARY NOTICES

SITTLEY—The funeral of the late Frederick Sittley, whose death occurred at the Royal Jubilee Hospital on June 21, was held yesterday morning at 11 o'clock from the Sands Funeral Chapel. Numerous friends attended, and many floral offerings were sent. The hymns sung were "Jesus, Lover of My Soul" and "Nearer, My God, to Thee." The pallbearers were Messrs. Gibson, Quick, Allen, Jailand, Briscow and Quick. The Rev. C. R. Littler officiated at the chapel and graveside. Interment was made in Royal Oak cemetery.

PYE—The death occurred yesterday morning after a short illness of Edward, the two-year-old son of Mr. and Mrs. James Edward Pye, of 971 Cloverdale Avenue. The little one was born at Victoria and is survived by his parents, his grandfather and several brothers and sisters. The remains are reposing at the B. C. Funeral Chapel, from where the funeral will take place on Saturday at 3:30 p. m., interment taking place in Ross Bay Cemetery.

DAVIS—The funeral of Mrs. Eleanor Davis, wife of Mr. Evan Davis, took place yesterday afternoon from the B. C. Funeral Chapel, where service was conducted at 3:30 o'clock by the Rev. Robert Wilkerson. There were many friends present and a large floral offering covered the casket. The hymns sung were "Rock of Ages" and "Nearer, My God, to Thee." The remains were laid to rest in Ross Bay Cemetery. The following acted as pallbearers: Messrs. D. S. Robertson, A. W. Plowman, A. S. Harris and W. D. Campbell.

BEW—The death occurred yesterday at Jubilee Hospital of Joe Garn, the three-year-old daughter of Mr. and Mrs. Joe Bew, of Shawnigan Lake. The funeral will take place from the B. C. Funeral Parlors this afternoon at 1:30.

TO TALK ON NATION'S MEDICAL PROBLEMS

Dr. Charles F. Martin, of McGill University, Will Appear Before Canadian Club Monday

Medical problems of national concern will be discussed before the Canadian Club Monday at noon by Dr. Charles F. Martin, professor of clinical medicine at McGill University. Dr. Martin will be the guest of the club at a luncheon in the Empress Hotel.

Dr. Martin has been in attendance at the sessions of the Canadian Medical Association in Vancouver and was honored by being reappointed chairman of the committee on mental hygiene.

One of the outstanding medical men of Canada, Dr. Martin will be heard here with more than usual interest. For many years he has held a high place in medical circles both in Canada and the United States, and he rendered distinguished service overseas during the war.

BOX SHOOKS WANTED IN LARGE QUANTITIES

VANCOUVER, B.C., June 23.—With the prospect of an annual order for 2,500,000 sets of box shooks, an inquiry from Mr. E. S. Burrowes, of Laredo, Texas, is receiving the serious attention of the Vancouver Board of Trade.

A letter received this morning by Secretary Payne asks if an order for 250,000 sets of box shooks can be filled here, and states that it will take about forty cars to transport the sets. The letter also says that the annual order would amount to the larger figures quoted above.

Mr. Payne said there was no doubt the order could be placed and that every effort would be made to comply with the request.

CHILDREN ARE GIVING ALL THEIR SAVINGS

Chinese and Indian Youngsters Gladly Devote Their Money Towards Helping the Poor in Europe

Mr. S. H. Anschell, campaign director of the Canadina Jewish Relief Association, stated last night that up to the present time, Mr. George G. Bushby, chairman, and Mr. Fred Landsberg, vice-chairman, are well pleased with the receipts up to date, which are $5,800, without any solicitation, of which $5,000 has been forwarded by the Bank of Montreal to the Dominion treasurer at Montreal, where it will be at once devoted to buying supplies for the needy people, and these supplies are all obtained in Canada.

Mr. Anschell mentioned two things that occurred yesterday, which show that the appeal for help has been noticed in Victoria. Four Chinese children, three girls and a boy, between the ages of six and twelve, deposited their entire savings for over two years, which they carried in savings banks. These they opened, and poured the contents—small silver and coppers—on the table.

One little girl remarked that Father said that "this will do the poor hungry children more good than it will us."

A little later, two Indian boys, about ten and twelve years of age, walked into headquarters and gave all their money. One lad had one dollar in dimes, and the other, sixty cents. They said that they had earned the money by picking strawberries.

In preparation for the opening of the campaign on Monday, a big meeting will be held at headquarters on Saturday evening, and all the ladies' organizations will send representatives, so that everyone can help the cause.

Mrs. H. E. Levy, the chairman, and Mrs. J. Osborn, the vice-chairman, have taken the matter in hand, and will see that all the lady workers are thoroughly organized so that the campaign may be a complete success.

Mr. S. H. Anschell appeals to those who have so generously done merry work in the past, to devote some of their time next week to the cause, as the reports he has received from the devastated region state that conditions are very bad, and that help is needed at once.

There is an old saying that especially fits the case, says Mr. Anschell: "What you give in health is gold;
What you give in sickness is silver;
What you give after death is lead."

Thousands upon thousands of war sufferers in Poland, Galicia, Lithuania, in the new states of Czecho-Slovakia and Jugo-Slavia, will perish unless aid reaches them in more liberal amounts than ever before, and they must have a little of the care and loving kindness that is the birthright of every child born into the world.

COMMISSIONER WILL TALK ON FRUIT TRADE

VERNON, B.C., June 23.—J. Forsythe Smith, Canadian fruit trade commissioner in the United Kingdom, arrived yesterday from England, and after spending a short holiday with relatives in Vernon, will proceed during July to visit the principal apple-producing points in British Columbia to address meetings of interested fruit growers and shippers on conditions affecting the sale of apples in British and continental markets.

Mr. Smith is located at Liverpool, and in addition to his special duties in connection with the apple market, has charge of the Liverpool and North of England territory for general Canadian trade development.

COMMISSIONER ABBOTT RESIGNS OFFICE

VANCOUVER, B.C., June 24.—R. C. Abbott, who for the past six years has acted as Coast Markets Commissioner for the Provincial Government, is today forwarding his resignation to the Department of Agriculture at Victoria. He entered the service of the Government in July, 1914, and will leave at the end of August.

Last week's B. C. Gazette contained notice of the incorporation of the R. C. Abbott Company, Limited, which will engage in the import and export trade.

Vancouver Island News

COWICHAN CREAMERY HAD SUCCESSFUL YEAR

Great Increase in Production of Eggs in District During Year Just Closed

That the members of the creamery are fully satisfied with their present board and management was evidenced on Saturday when the semi-annual conference of members convened in the K. of P. Lodge room. The directors, auditor, and manager attended in full force to answer for their deeds of the past six months, but less than half a dozen members were present. To these few the president, Mr. John N. Evans, gave a satisfactory report on operations proceeding.

The manufacture and sale of butter continued on a rising basis, but was not materially greater in quantity when compared with the corresponding turnover of the previous year. In the handling of eggs a very substantial increase of production was apparent, 80,050 dozen being registered against 35,942 dozen for the same period of last year. Correspondingly an increased quantity of feed was being sold, and the balance figures for the first half of the current year showed a considerable surplus in hand, indicating that the year's trading is likely to prove proportionately satisfactory for the producing members.—Cowichan Leader.

CHEMAINUS SCHEME FOR FIRE PROTECTION

Fire protection matters again engaged the attention of the Chemainus branch of the Duncan Board of Trade at their meeting on Tuesday of last week. Mr. H. R. Smiley presided and there was a good attendance.

Mr. N. F. Lang, chairman of the fire protection committee, submitted a report on an interview with Mr. E. J. Palmer, in which it had been suggested that the V. L. & M. Co., Ltd., should undertake the scheme as an investment, the property holders to pay on a percentage basis.

The estimated cost of the project was $4,000, which, on a six per cent basis, would necessitate the raising of $240 each year by the ratepayers. With some modifications the amount to be raised on each house was estimated at $5.10 a year.

Mr. Palmer promised favorable consideration. After discussion by the branch, it was decided to leave the scheme in the hands of Mr. Lang, who would again interview the company's representatives. — Cowichan Leader.

NANAIMO NEWS NOTES

NANAIMO, June 24.—The G.W.V.A. elect officers tomorrow night for the next six months on the nominations made last Friday evening.

Though still unconscious, a slight improvement was shown last evening in the condition of Vincent Peto, who was injured last Saturday by an automobile.

Rev. S. Ryall conducted the funeral services yesterday afternoon of Mrs. John Greenaway, the pallbearers being Messrs. N. Bowater, J. Sargent, H. Critchley, J. Pimmings, S. Critchley and A. Blunt.

Miss M. Clarke, of Vancouver, is spending a few weeks' holiday with her mother, Mrs. Ida Clarke, Nicol Street.

Doctors Ingham and Drysdale are attending the Medical Convention in Vancouver.

The Five Acres Ladies' Guild closed the season with a successful whist drive and social last Tuesday evening at the Mission Hall. The whist drive winners were Mrs. Walters, Mrs. Sissons, Mrs. Patterson and Mr. Porter.

Harewood, champions of the City League, play Merchants next Friday for the suppers. J. Steele will referee.

Saturday will be Alexandra Rose Day for the Nanaimo Hospital. The Bastion Chapter, I.O.D.E., promise plenty of freshly-cut roses.

On Friday evening the Princess Patricia will leave Vancouver at 7 o'clock instead of 6:30, the usual hour.

Mrs. Gerhart, a former resident of Nanaimo, now of the Hotel Sterlin, Vancouver, arrived in the city today on a visit to old friends.

Mrs. (Capt.) T. Ripon, of Vancouver, is visiting friends in Cedar.

Mr. Jos. Sutton will open the discussion on a paper on hospital architecture, which will be given at the Hospital Convention in Vancouver tomorrow.

In the second cricket match played yesterday between the Gentlemen and the Players, the former lost again by a score of 80 to 109.

Mrs. Kirkup entertained at the tea hour yesterday at "Kirkhope," Townsite.

Mrs. Richardson, of Vancouver, is spending a few days with her sister, Mrs. W. W. Lewis, Townsite.

Mrs. H. Woodward's class of Sunday School girls gave an afternoon tea yesterday in the Church Hall in aid of their Forward Movement fund.

The lecture of Dr. Ernest Hall, of Victoria, on "The Menace of Venereal Disease" has been changed from Saturday to Sunday night at 8:30, in the G.W.V.A. Hall.

The Young Ladies' Club of Wallace Street Church held a very successful party last evening, although driven from the lawn by the rain into the lecture room.

LETTER FROM MRS. WAKELIN

Tells Remarkable Story of Sickness and Recovery.

Toronto, Ont.—"I suffered greatly from weakness, seemed to be tired all the time, and had no ambition to do anything or go any place. My nerves were in bad shape, I could not sleep at night, and then came a breakdown. I read of Lydia E. Pinkham's Vegetable Compound in the newspapers and several of my friends advised me to use it, and it surely put new life into me. Now I am quite able to do all my own work, and I would strongly advise any suffering woman to give Lydia E. Pinkham's Vegetable Compound a trial."—Mrs. CHARLES WAKELIN, 272 Christie St., Toronto, Ont.

The makers of Lydia E. Pinkham's Vegetable Compound have thousands of such letters as that above—they tell the truth, else they could not have been obtained for love or money. The medicine is no "cure-all," it has stood the test for more than forty years.

If there are any complications you do not understand write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass.

MOTHERS' PENSIONS OFFICER IN NANAIMO

Application Forms Being Distributed to Those Who Come Under the Provisions of Act

NANAIMO, June 24.—Application forms for widows, deserted wives and others who are entitled to allowances under the Mothers' Pensions Act, can be obtained by the end of the week at the office of the Provincial Police, Court House. This was the announcement of Mr. George F. Pyke, of Vancouver, who was in town Monday evening. Mr. Pyke, who was recently appointed assistant superintendent of neglected children, has been charged with the duty of organizing and putting into force this most welcome provision for the needy motherhood of British Columbia. The provisions include also the wives whose husbands are incarcerated in a penal institution or asylum, or are incapacitated by illness or accident.

SCHOOL EXAMINATIONS HELD AT DUNCAN

Thoughtful Action of Retail Merchants Fully Appreciated by Candidates for High School Honors

DUNCAN, June 24.—During the past four days the examinations of the Entrance and the High School pupils have been held at the Duncan school. In the High School the examinations have been conducted under the supervision of Miss Ritchie, vice principal of the public school, while the entrance examinations are in charge of Miss Bradshaw of the public school staff.

Mr. Hope, of the Oak Bay High School, supervisor of the High School examinations, paid a visit to Duncan, while Colonel Winsby, the inspector for the district, has conducted the reading examination of the entrance pupils.

From the Duncan Consolidated School twenty-three of the students have been recommended by their principal, Mr. William Stacey, to be promoted without writing their entrance examinations.

Drawn from the different schools throughout the Cowichan district, there are thirty-one candidates writing the entrance examinations. Duncan nine, Chemainus nine, Cobble Hill two, Cowichan one, Cowichan Lake one, Crofton one, Koksilah four and Shawnigan four.

Arranged Transportation

The action of the Consolidated School Board arranging for transportation of the Chemainus pupils to and from their homes during the progress of the examinations has been greatly appreciated by the parents and residents of Chemainus.

An entirely new departure in connection with the entrance examinations has been the serving of lunch to the entrance candidates by the Retail Merchants' Association of Duncan during the four days of the examination. Invitations were sent out by the merchants to fourteen schools in the district asking the teachers to kindly extend an invitation to any of their pupils who would be writing the examination in Duncan to be the guests of the Duncan branch of the Retail Merchants' Association of Canada, at luncheon on the four days of the examinations. Through the courtesy of the Consolidated School Board the domestic science room in the school building had been placed at the disposal of the retail merchants. Replies were received from a number of the teachers and pupils expressing their appreciation of this thoughtfulness on the part of the merchants of Duncan.

Catering Satisfactory

The catering and arrangements were placed in the capable hands of Mrs. E. Stock, who was assisted by Mrs. H. M. Prevost. Miss Norah Dwyer, one of the High School students, and four of the young girls from the public school kindly volunteered as waitresses and assisted materially in the success of the entertainment. A dainty luncheon consisting of soup, cold meat, salads, jelly, pudding and cake with tea and iced lemonade was served each day to the apparent enjoyment and satisfaction of the candidates. An attractive souvenir menu card was presented each day to the candidate guests, containing photos of the Duncan school buildings, the list of the officers and members of the Retail Merchants' Association of Duncan, together with the wish that they might pass a creditable examination and become successful students in the Duncan High School.

Registration Show

DUNCAN, June 24.—Registration appears to be coming along fairly well in this district. Up to Saturday last, Mr. James Maitland-Dougall, registrar, had received 884 affidavits. The old list contained about 2,500 names, and it is estimated that the new one should number about 2,100. Mr. Charles B. Price, Westholme, has been appointed a deputy registrar of voters in this electoral district.

Funeral of Benjamin Riches

NANAIMO, June 24.—The funeral of Benjamin Riches, a farmer well-known resident of Northfield, who died last Monday at James Island, took place this afternoon from the family residence, Northfield. Rev. Mr. Pearson conducting the service at St. Luke's Church. Mr. Riches was a native of Quebec, 56 years of age, and had worked at the Northfield Powder Works for twelve years before going to James Island. He is survived by his widow, one son and two daughters, Mr. G. H. Riches and Miss Margaret at home, and Miss [illegible] of Montreal.

GARDEN FETE BY LADIES OF ST. ALBAN'S

Good Home Committee Social Function at Port Alberni and Note $250 to Aid of Work

PORT ALBERNI, June 24.—On Wednesday afternoon and evening a most enjoyable garden fete was held at the home of Mrs. H. M. T. Hodgson, under the auspices of the St. Alban's Church Guild. Tea was served during the afternoon on the spacious verands, and all enjoyed the beauties of the garden. At 6 o'clock supper was served, after which a delightful programme entertained the visitors. Those participating in the programme were Mrs. Martin Stevens, Mrs. F. C. Birks, Mrs. Roy Hanna, Miss Lorna Hayne, Miss Agnes Wood-Lee, Miss Joyce Garrard, Messrs. Birks, Bacon, Petch, Blandy, Collings and Warrener.

The different stalls were in charge of the following committees: Sale of home sewing, Mrs. Hayne; Mrs. Prescott, Mrs. Dopson; ice cream stall, Mr. and Mrs. Wood; home cooking stall, Mrs. Askew and Mrs. Best; supper committee, Mrs. Freese, Mrs. Bennett, Mrs. Gullied, Mrs. Blandy, Mrs. Beckerley, Mrs. Morgan, Mrs. Ayres Mrs. Blackemore and Mrs. Howitt.

Miss Mellish had charge of a tent wherein people had to be recognised by their eyes. The only ones who performed this task correctly were two small children, Master Frederick Birks and little Miss Dopson.

Mr. Collings and Corporal Taylor drew a caricature of you while you could wait, if you paid them 25 cents. This attracted many, and screams of laughter issued forth from this tent at all times.

The fete was not only a success socially, but a huge success financially, as $250 was realized.

PORT ALBERNI PERSONALS

PORT ALBERNI, June 24.—Mr. and Mrs. George Nixon left for Vancouver on Wednesday. They will visit their son, Glanson, for a short time, then go East to visit their old home in Manitoba.

Mrs. George Forrest, of Alberni, left for the East on Wednesday. She was called there by the serious illness of her mother, Mrs. Cameron.

Mrs. William Holt and daughters, Dorothy and Loreen, left for Montreal on Wednesday.

Passed Musical Exams

NANAIMO, June 24.—Additional names are out of the successful candidates at the Royal Academy of Music examinations held this week by Mr. Douglas Redman: Higher division, honors, Florence Landry; pass, Edward Lewis, James Tipton. Lower division, pass, Muriel Dunn, Doris Jones, Jessie Grant, Ines Fogliont, Elsie Neen, Nellie Clark. Elementary division, honors, Jessie Jacobs, Elizabeth W. Emery; pass, Martha Herman, Edward Patterson, Walter McKenzie, Dorothy Grant, Olive Lawrence, Florina Daiby, Muriel James, Leah Brown, Catherine Frinkleton, Amy L. Snowden, John B. Kenmuir. Primary division, pass, Stella Dunn, Clarence Godfrey, Doris Parkinson, Kathleen Mitchell, Florence Budge, Margaret Fries, Violette Wilson, Helen Smith, Dulcie Odgers, Mildred Mason, Marjorie Gillies, Florence A. Bailey, Bertha Philips.

PORT ALBERNI, June 24.—The Malt Beverages License By-law has passed its second reading in the Municipal Council, but objections are expected before it is finally passed. Its object is to regulate the selling of all malt extracts to hotels only and have all places close at eleven o'clock p.m.

Agreement With Telephone Co.

PORT ALBERNI, June 24.—An agreement has been ordered signed between the B.C. Telephone Company and City Council whereby the B.C. Telephone Company will be allowed to use the city light poles, and vice versa, and also pay about $100 a year rental.

MUCH IMPRESSED BY CANADIAN STABILITY

Capt. G. A. Schofield, Big English Cotton Manufacturer, Predicts Movement of Industry

"I am glad I have seen Canada," said Capt. G. A. Schofield at the Empress Hotel last evening. "I have had investments in Canada for years; I own some quite extensive lands, but it was a vague sort of Canada in which I owned them. I have just seen this marvelous sort of country of yours, and ours, from end to end, for the first time. I am greatly impressed. I did not imagine Canada was anything like it is. Your loyalty, too, is impressive; it gives an Englishman heart. Should the day ever come when conditions are intolerable in England, I shall think first of Canada, and I am not the only Englishman who thinks that way."

Capt. Schofield belongs to the great cotton manufacturing group of England, his company being Messrs. M. Broadbent, Wellington Mills. His specialty is the manufacturing of velvet yarns. He finds the new world conditions born of the Great War very disturbing. American competition, for instance, he speaks of as a very live issue with the Old Country cotton manufacturer. He is frankly looking for new fields for the industry, and he has found Canada very agreeable to look upon. He does not admit that he shall establish his industry anew on this continent, but one thing he says emphatically: "As soon as I return to England I am going to increase my investments in Canada. I believe heartily in the country."

Capt. Schofield is accompanied on his tour by Mrs. Schofield and by their sons, Mr. W. G. B. Schofield and Mr. A. H. B. Schofield. The captain says that he brought the young men to Canada deliberately. "I wanted to picture them located here one day, for I honestly believe that a large portion of our future England will be in Canada one day. Your Dominion has a great future."

Death of Prominent Barrister

TORONTO, June 24.—Frank Denton, K.C., senior member of the legal firm of Denton, McDonald and Denton, died here this morning, 61 years old. He was a prominent member of the Conservative party and took an active part in Liberal politics. He is survived by his wife and five children.

ONLY TABLETS MARKED "BAYER" ARE ASPIRIN

Not Aspirin at All without the "Bayer Cross"

For Colds, Pain, Headache, Neuralgia, Toothache, Earache, and for Rheumatism, Lumbago, Sciatica, Neuritis, take Aspirin marked with the name "Bayer" or you are not taking Aspirin at all.

Accept only "Bayer Tablets of Aspirin" in the unbroken "Bayer" package which contains complete directions. Then you are getting real Aspirin—the genuine Aspirin prescribed by physicians for over nineteen years. Now made in Canada. Handy tin boxes containing 12 tablets cost but a few cents. Druggists also sell larger "Bayer" packages.

There is only one Aspirin—"Bayer"—You must say "Bayer"

Aspirin is the trade mark (registered in Canada) of Bayer Manufacture of Monoaceticacidester of Salicylicacid. While it is well known that Aspirin means Bayer manufacture, to assure the public against imitations the Tablets of Bayer Company will be stamped with their general trade mark, the "Bayer Cross."

Your Blood is Calling for Help.

IF IT'S *Eczema, Boils, Pimples, Eruptions, Bad Legs, Abscesses, Ulcers, Glandular Swellings, Piles, Rheumatism, Sciatica, Gout,* stop wasting time and money on many elements and liquid which is but can not give lasting relief. The trouble lies deeper. Rub your blood clean by calling for Clarke's Blood Mixture and the rid of the poisonous, clogging impurities which are causing your health and strength and preventing you from enjoying life and vitality. Your blood is under the blood glands and you can expect no lasting relief from Clarke's Blood Mixture. This famous medicine of over 50 years' standing is the best blood purifier and tonic you can take. Clarke's Blood Mixture is planned to take, and for from anything injurious even to the most delicate. Of all Chemists and Stores.

DO NOT BE PERSUADED TO TAKE A SUBSTITUTE.

NEGOTIATING OVER RADIAL RAILROADS

OTTAWA, June 24.—The proposed sale of the radial electric lines in Ontario forming part of the Canadian National Railway system and taken over by the Dominion Government when it absorbed the Canadian Northern lines was the subject of further conference yesterday between Hon. J. D. Reid, Minister of Railways and Canals, and Sir Adam Beck, representing the Ontario Hydro-Electric Power Commission. The radials in question are the Niagara, St. Catharines & Toronto Railway, the Toronto Suburban Railway and the Toronto Eastern Railway.

The hydro-electric power commission is proposing on behalf of certain Ontario municipalities to construct radial lines. These lines would parallel the Dominion radials referred to, and it has been with a view of avoiding wasteful duplication that negotiations were entered into.

While no final decision has been reached, it is understood that the outcome of yesterday's conference was satisfactory to all concerned and that an agreement may shortly be expected which will include a mutually satisfactory traffic arrangement.

Allan A. Ryan Expelled

NEW YORK, June 24.—Allan A. Ryan, chairman of the Stutz Motor Car Company, who became involved in a controversy with officials of the New York Stock Exchange at the time it was alleged a corner existed in Stutz, has been expelled from the Exchange, the Board of Governors announced today. The announcement followed a protracted executive session yesterday, when the board quizzed many witnesses.

MEMORIAL SERVICES AT SOLDIERS' GRAVES

Municipal Chapter, I.O.D.E., Decided to Honor Memory of the Dead on First Sunday in August

At the meeting of Municipal Chapter, I.O.D.E., held yesterday afternoon at the I.O.D.E. rooms, Jones Building, Mrs. Curtis Sampson, the Regent, in the chair, it was decided to hold a memorial service on Sunday, August 1, at Ross Bay Cemetery, where a number of soldiers' graves are tended by the I.O.D.E. In each year the I.O.D.E. will hold "In Memoriam" Day services on the first Sunday in August to honor the memory of those who died in the great war. The work of tending the graves of those soldiers who have died after their return from overseas and who have been buried at Ross Bay is the work of primary chapters of the Order, each chapter having taken over the care of an allotted number. The graves are decorated each week with flowers by members of the chapters. Mrs. Mortimer Appleby, general convenor of this work, is asking for support in furtherance of this work, to which donations are expected from the various chapters.

Mrs. Albert Griffiths, convener for the Alexandra Rose Day, submitted a satisfactory report, stating that the sum of $628 had been the proceeds of the collections on that day. The expenses incurred were only $2.40. The committee submitted a recommendation regarding disposition of the funds collected, this being that after the percentage was paid to the Crippleage in London, England, the balance should be divided equally among the following institutions: Jubilee Hospital Women's Auxiliary, Victoria Order of Nurses, Protestant Orphanage, Social Service, Children's Aid, Roman Catholic Charities and the W.C.T.U. Refuge Home. The thanks of Municipal Chapter were accorded to Rev. Mr. Owen, D. Spencer, Ltd., whose premises were used as a headquarters, and to the proprietors of the various other offices and stores who kindly loaned their premises for the day, and also to the various workers.

Report of National

Miss A. B. Cooke, educational secretary, gave an excellent report on the proceedings at the annual meeting of the National Chapter, I.O.D.E., recently held at Calgary, which she attended as the delegates of the local chapters. In recognition of her splendidly efficient services as National delegate Miss Cooke was presented with a handsome bouquet of peonies.

Mrs. R. S. Day, convener of the Patriotic Service Committee, reported that twelve families had been assisted to the extent of $350 and that some will require further assistance until the increase is made in the scale of pensions. Mrs. Day dealt at some length with the proposed new pension scale as it affected widows, orphans and widowed mothers. An appeal was made for assistance for secondary education for children between the ages of 14 and 19 years, and the various primary chapters were asked to give their consideration to this matter. Mrs. Day also touched upon the question as affecting the children of permanently disabled men, and intimated that this matter would be gone into more fully at a later date.

Echoes Work

Mrs. D. Doig, Echoes secretary, reported regarding the correspondence with Echoes. Mrs. C. Gardener reported on the Boy Scout Movement, she having attended, with a committee of ladies, a meeting held in this connection at the Parliament Buildings and presided over by His Honor the Lieutenant-Governor. The primary chapters are endorsing this movement and have made donations to that end. Mrs. Chrowe, convener of the wool committee, reported concerning some garments which had been sent in. It was decided to hand these over to the patriotic Service Committee for distribution. Mrs. H. A. S. Morley, convener of the house committee also submitted a report.

Miss McLeod, matron of the S. C. R. Hospital at Esquimalt, wrote thanking the order for a donation of pyjamas made to that hospital.

A letter was received from Robert Burns McMicking Chapter asking for assistance in connection with the forthcoming garden party to be held by that Chapter at the residence of Mr. and Mrs. R. A. Kenwick on Simcoe Street, on July 7. A letter was also received from Mrs. K. Palmer, convenor for a garden party to be held August 4 under the auspices of the Women's Auxiliary to the Great War Veterans' Association, asking for co-operation in connection with the event which is to be held at 2531 Pleasant Avenue, Point Ellice.

At the conclusion of the meeting tea was served and a pleasant social hour was spent.

PEACE RIVER WELL SENDS OUT MUCH GAS

EDMONTON, June 24.—Twenty million cubic feet of gas every 24 hours from the San Joaquin well, on the Peace River, is the news that H. L. Williams brings down from the North.

The flow was struck while Mr. Williams was at the well. It is now being capped, and the drilling operations will then be continued in a further search for oil.

The San Joaquin well is about 12 miles from Peace River town.

Reduction of Military Staffs

ST. JOHN, N. B., June 24.—It is announced at the local military headquarters that at the end of this month a considerable reduction in the staffs of this and all other districts in Canada will take place. All men carried on different Canadian expeditionary force units will be transferred to the general lists, which in this district will be very small.

Murder Charges at Duluth

DULUTH, June 24.—Indictments charging murder were returned late yesterday against three men for alleged participation in the lynching of three negroes here June 15, the trio being Leonard Rodman, John Burr and Nate Nelson. They are held without bail.

SPORTING NEWS

Oarsmen Are Training Hard for Big Regatta

Davis Cup Team for England Is Announced

VANCOUVER OARSMEN GAIN IN STRENGTH

Will Be Strong Contenders in N.P.A.A.O. Regatta, But J.B.A.A. Men Are Pleasing All the Critics

The arrival in Vancouver of a crack English oarsman, who formerly rowed in Germany before the war, has stimulated enthusiasm in Vancouver, and the Terminal City men are now looked upon as strong contenders in the N.P.A.A.O. regatta, as they will be able to form two good crews.

The seniors are trying out Marlacher as stroke, with the new man at 2, Sutton, 3; and Grimmett, bow, while the juniors are Kayll, stroke; Poupore, 3; Clark, 2; Marcus, bow.

Coach Elderton is well pleased with the composition of his crews and expects Vancouver to make an excellent showing at Shawnigan Lake.

Benny Fellows and Fletcher are rowing in the doubles, and they make a nice pair, as they are well together and have a rare turn of speed.

J.B.A.A. Working Hard

The J.B.A.A. oarsmen are working faithfully, and the use of the speed launch Bluebird is making a wonderful difference in their work, as Coach Dan O'Sullivan is now enabled to follow them up throughout their workouts, correct their faults and instil into them the proper method of rowing, and he sees that they stick to their task.

Bob Travis, the junior stroke, is rowing in even better form this year than he has done in the past, and he has three men in the boat with him who back up his efforts nobly, and consequently the critics are greatly pleased with the form displayed.

J. A. Wickson, who will stroke the seniors, has the necessary material behind him, but the boys require a little more work before they get the finish that is necessary. However, by the date of the regatta, it is expected that the J.B.A.A. will be represented by one of the best "Big Fours" that has ever rowed for the club.

The big international event will take place at Shawnigan Lake on July 16 and 17, and the local oarsmen are making great preparations to make the affair a success, both from a rowing and social standpoint. The lake is an ideal place for a regatta, as the course is a splendid one, with a good view of the races for spectators, and, as weather conditions should be of the best at that time of the year, the two days' outing should be one to be long remembered.

NEW STYMIE RULE CABLED TO STATES

NEW YORK, June 24.—The rule which the Royal and Ancient Golf Committee will recommend on stymies was received here Wednesday in a cable message from Howard F. Whitney, vice-president of the United States Golf Association.

The message says: "In match play, when both balls are on the putting green the player whose ball is near the hole may play first if he so elects. Failing to play, the player whose ball is furthest from the hole may lift his opponent's ball, thereby conceding his 'putt.'"

CHANGE IN BASEBALL RULE IS ANNOUNCED

New Ruling as to Balls Hit Out of Ground Would Have Robbed Ruth of Couple of Homers

CHICAGO, June 24.—A change in the baseball rules governing balls hit out of the playing field will go into effect tomorrow, it was announced here tonight by American League headquarters. The rule in question is covered by paragraph 48 of the rules book and at present "provides that a ball shall be judged fair or foul, according to where it passes over the boundary line of the actual playing field." The new wording will be the same as in 1919, which says that when a "batted ball passes outside the grounds or into the stands, the umpire shall judge it fair or foul, according to where it disappears from the umpire's view."

The latter interpretation of the rule would have robbed "Babe" Ruth of at least two home runs this year, baseball officials says.

RALPH DE PALMA WILL COMPETE AT TACOMA

Speed Merchants Gathering for Fourth of July Races at Speedway—Durant Also Coming

TACOMA, June 24.—Ralph de Palma today wired his entry in the Fourth of July automobile race on the local speedway. He said he will immediately ship his car, which lost the Indianapolis race through a stroke of misfortune, to Tacoma. The entry of De Palma had been held up until it was found whether or not his racing machine could be repaired in time.

Three express cars of racing automobiles reached Tacoma today from Uniontown, Pa. Eighteen drivers will arrive Saturday night in preparation for the 235-mile classic scheduled the afternoon of July 4.

"Cliff" Durant has sent word that he will leave Oakland, Calif., Monday morning in his airplane. He expects to reach Tacoma Monday night.

Try a motor drive to Shawnigan Lake. Lunch at Strathcona Lodge.

BRITISH DAVIS CUP TEAM IS SELECTED

WIMBLEDON, England, June 24.—The British Davis Cup team was selected today. It comprises James Cecil Parke, Herbert Roper Barrett, Algernon R. F. Kingscote and Theodore Michael Mavrogordato.

COLLIERIES-VETS HAVE OLD LINE-UP

Dick Rossan Back From Alberni—Elks and Yarrows Lock Horns at the Stadium This Evening

Tonight's amateur baseball game at the Stadium will be called for 6:30. The Elks have a chance to leave Macfarlane's bunch in the rear by winning from Yarrows, but a loss means second place, tied with the Esquimalt nine. Lorimer is sending Doc Balcom in to pitch the Horns to victory, while Ebert Brown, the mainstay of the shipbuilders, will extend himself and try for his second victory of the week. Bill Spenser and George Beck are extremely optimistic regarding the chances of the ruralites, and claim that their flock of youngsters have recovered their batting eyes. They base their claim on the showing made Wednesday night against Parfitt, of the K. of C.'s, when 15 hits were registered.

Yarrows have the third game in a week to play next Wednesday against the Collieries-Vets. If Brown can do the iron-man stunt and tuck away all three of the suburbanites, he will see his club leading the league.

David Harum Macfarlane, the "angel" of the soldier-miners, is all smiles, as he has his original line-up intact, Dick Rossan returning from Alberni a couple of days ago. Dick says that, according to the adding machine attached to the stern ends of his kicks, there are exactly three million, four hundred and sixty-seven miles between here and the canal hamlet. After submitting his hoofs to Mike McDonald for treatment, Dick will be able to take his turn on the mound for Dave, and says he never felt finer.

COLD WEATHER IS AGAINST GOOD TENNIS

Games in Victoria Tennis Club's Handicap Tournament Yesterday Were Not Exciting, With One Exception

The tennis tournament games which were played yesterday in wretched tennis weather did not produce many outstanding games. The only three-set match was between Mrs. Rickaby and Davis against Miss Morton and Mr. Morton, the latter winning out after a long third set. The Mortons played good tennis throughout, especially in the last set.

Yesterday's Results

Mrs. Mogg beat Miss Leeder, 6-3, 6-0.

Mrs. Fairburn beat Mrs. Harlow, 6-2, 6-3.

Gordon beat Hodgkinson, 6-3, 6-0.

Pollard beat Jackson, 6-4, 6-0.

Hudson beat Hennell, 6-3, 6-2.

Proctor beat Brethour, 6-4, 6-1.

Miss Tayler and Brown beat Mrs. Christie and Steedman, 6-4, 6-2.

Mrs. Burge and Foulkes beat Miss M. Nearne and Dr. Hudson, 6-0, 6-2.

Mrs. Mogg and Miss Watson beat Mrs. Hodgins and Miss Donald, 6-3, 6-4.

Beatty beat Greig, 6-3, 6-1.

Miss Morton and Mr. Morton beat Mrs. Rickaby and Davies, 3-6, 6-4, 9-7.

Today's Games

At 4 p.m.

Miss McNeill plays Mrs. Mogg.

At 5 p.m.

Miss Lawson plays Miss McClintock.

Miss Scott and Miss Errington play Miss Long and Miss Leeder.

Boucher plays Gill.

Matson plays Marshall.

Pollard plays Berrill.

At 6 p.m.

Miss Tayler plays Mrs. Fairbairn.

Gordon plays Denniston.

Robertson plays Proctor.

Isard plays Russell.

MANITOBANS SUPPORT CORINTHIAN VISIT ON SOCCER TOUR

WINNIPEG, June 24.—The Manitoba Football Association has declared itself in favor of the scheme to induce the Corinthians, the well-known Old Country amateur team, to tour this country during the present season. Word was received here yesterday that the English players wished to make the trip and local officials were notified by Secretary Spencer of the Dominion Football Association that Winnipeg would be included in the proposed itinerary, if the Manitoba Football Association would support the idea.

BROOKLYN HANDICAP IS WON BY CIRRUS

NEW YORK, June 24.—Cirrus Maid, by Master, won the 37th running of the historic Brooklyn Handicap on the Aqueduct course today. Boniface was second and Mad Hatter third.

The Jewish Relief Committee wants volunteers to assist them. Come to the meeting Saturday night at Diri [illegible]

HOME LACROSSE TEAM IS TIGHTENING UP

Game With Vancouver Tomorrow Should Provide Considerable Excitement—The Locals in Fine Fettle

Somewhat elated by their win over the weakened Victoria team last week, Vancouver stick wielders will on Saturday next invade the city for their first local appearance this season.

That the game should afford considerable excitement is evidenced by reports from both camps. The Vancouver tribe already has visions of the Mann Cup passing the Winter in the Terminal City and the locals are determined to tighten up the strings on the silverware.

At a fast workout of the home talent last evening, it was noticeable that the home end of the team had given a better demonstration of their sharp-shooting ability than at any other practice this season and the defense has taken on the resistance of Verdun proportions, comparatively speaking. Boss Johnson, the local net custodian, is getting his old eye back in the game and when Boss is right, he is hard to beat. Cyril Baker is playing great ball and should furnish the missing link that was so sadly lacking in the last clash. The showing of young Toots Plump in the Vancouver game was a pleasant surprise, and he may find a regular berth on the local squad for the rest of the season.

The team for Saturday will undoubtedly present a better front than they did on Victoria Day, when they battled the fast stepping Red Shirts, of Westminster, to a draw.

An added attraction for Saturday's tilt will be the appearance of two local boys in the visitors' line-up. "Dutch" Clegg and Frank Sweeney, known as the "Fatty Arbuckle" of the lacrosse world, will both be found trying to keep the local boys from scoring. Both players were members of the Victoria team for years and helped bring the Mann Cup to this city. The game will be played at the Royal Athletic Park on Saturday afternoon at 3:30 p.m.

Just what the line-up of the Victoria team will be has not as yet been announced.

TOMORROW'S CRICKET

Only two Virtue Cup cricket matches will be played tomorrow, the match between the Incogs. and Victorias being postponed owing to the fact that no ground is available for the engagement.

The Five C's play the Garrison at the Jubilee Hospital and the Army and Navy play the Congos at Work Point.

At Beacon Hill the Albions are entertaining the Cowichan C. C. eleven. The following have been selected for their respective clubs:

Five C's—Dean Quainton, E. Quainton, Wilkinson, Edwards, Sutton, Knapman, Winslde, Gibson, Payne, Shipway and Rough; reserves, Griffiths and Sharp.

Congos—J. Collett (Capt.), R. J. Ferris, W. Tucker, G. Wells, E. R. Lock, A. H. Adams, H. Gardler, W. Erickson, G. Austin, P. Oliver and A. Lea.

DISTRICT BASEBALL

Strawberry Vale Beat Royal Oak in Opening Game of Series

The opening match of the series of baseball games for the season was played on the Wilkinson Road diamond on Wednesday night, between Strawberry Vale and Royal Oak. Both teams played a splendid game, but, owing to the light failing, the game finished at the eighth inning with Strawberry Vale well in the lead. Judging by the good sporting spirit of the opposing teams, and the keen interest taken by the crowd of spectators, the coming games will be looked forward to with interest and pleasure by residents of the district.

SPORTS COMMITTEE ELECTS OFFICERS

At a general meeting called by the sports committee of the Army and Navy Veterans Amateur Athletic Association the following officers were elected: Chairman, D. J. Clark; treasurer, H. Brown; secretary, H. Ingall; councillors, Messrs. Holden, Tebbutt, Warden, Page, Kench, Laughland and Down. August 1 was the date fixed for holding a field sports day and it was decided to hold a smoking concert on July 2. A vote of thanks was passed to Mr. Darke for his excellent work in connection with the cricket club and he was elected honorary vice-president of the Army and Navy Amateur Athletic Association.

EQUALS GOLF RECORD ON VANCOUVER COURSE

VANCOUVER, June 24.—Dave Black, professional golfer, at the Shaughnessy Club, equalled the club course record held by Knox Walkem since September last, when in a friendly game with W. A. McLachlan, he went round in 69. The Shaughnessy Heights course is 5,747 yards, with a par of 72.

Black's performance was the result of a steady and consistent golf. With the exception of one penalty, in which he lost a stroke at the twelfth hole after going into the ditch, he was on line the entire route, and never missed a putt.

His best hole was probably the seventeenth, which he made in two—the first time the feat has been accomplished in the history of the club—the best previous score being three. Black went out in 31 and came back in 37.

THE AMERICA'S CUP

Vanitie Wins Trial Race From Resolute—Shamrock Rigged With New Topmast

NEWPORT, R. I., June 24.—The sloop Vanitie defeated the Resolute today in their eleventh race in the elimination series for the honor of defending the America's Cup against the Shamrock IV., leading at the finish by 42 seconds, corrected time, and by one minute fifty seconds, elapsed time. The race was over a 30-mile windward and leeward course, in a seven-knot south-southwest breeze.

The Vanitie has won four and the Resolute seven of the races.

New Rig Success

SANDY HOOK, N. J., Sir Thomas Lipton's Shamrock IV., challenger for the America's Cup, had an informal spin off here today.

She carried a new topmast, which is shorter than her old spar. The rig improved the sailing qualities of the craft and her performance was highly satisfactory to Charles E. Nicholson, her designer, and Capt. Burton, who is to sail the yacht.

CHOOSES PARTNER FOR BIG GOLF CONTEST

BELMONT, Mass., June 24.—Francis Quimet has chosen Jesse Guilford as his partner in the match to be played with Harry Vardon and Edward Ray, the British professionals, July 8.

The match will be a 36-hole affair at the Belmont Spring Country Club.

Make Your Complexion nice for the Party

When "doing up" lub a little CREME ELCAYA into your skin before putting on your best powder. It will make your face and neck look smooth as velvet.

PARKE IS DEFEATED BY WILLIAM TILDEN

Match Between Britisher and American Was Watched by King George and Queen Mary at Wimbledon

WIMBLEDON, June 24.—William T. Tilden, of Philadelphia, today took the measure of J. C. Parke, the British expert, who put William M. Johnston, the American champion, out of the running for the British lawn tennis championship, winning in straight sets, 6-2, 6-2, 6-4. The match was hard fought.

Today's result brought out more clearly why Parke succeeded in beating Johnston in the second round, namely, the American beat himself, which mistake Tilden was careful not to repeat.

Tilden was superior at all points of the game, and had sufficient reserve and resources to capture Parke's service game when it was needed in order to take the set. Parke demonstrated one style of game—straight-forward hitting, with top spin. Tilden had this shot, but supplemented it with a beautiful cut stroke when Parke was at the baseline and with a heavily chopped drop shot and clean cross-volleying at shoulder height and also overhead.

A great crowd watched the contest and not the least interested were the King and Queen of England, Princess Mary and the Duke of York.

In the second round of the doubles, Charles Garland, of Pittsburg, and R. Norris Williams, of Boston, beat Samuel Hardy, of Chicago, and W. C. Crawley, of England, 6-3, 6-4, 6-0.

In his match in the third round of singles, C. S. Garland, of Pittsburg, beat J. Masterman, of Oxford, in straight sets, 6-4, 6-2, 6-1. Garland played a free, forceful, stylish game, generally outclassing his opponent.

EVERETT SCOTT SETS A BASEBALL RECORD

CHICAGO, June 24.—Everett Scott, shortstop of the Red Sox, today held the record for all time for participation in consecutive baseball games. When he took the field against Cleveland yesterday, Scott extended to 579 the number of games in which he has played without interruption. Scott, having played consistently since 1914, has made his record in five playing seasons, including 55 games this year with no layoff in prospect.

WILDE AND HERMAN MATCHED TO FIGHT IN LONDON IN FALL

BAPTIST CONVENTION ENDS LABORS TODAY

Twenty-Fourth Annual Meeting Has Proved Most Successful One—Powerful Addresses Delivered

"We have churches all over Western Canada today which are not holding it to the eternal now-over because the men who head them are moving at precisely the same pace, using the same methods, as their fathers did before them," asserted Rev. F. W. Patterson, D. D., head of Baptist mission work in Western Canada, in one of the most eloquent addresses yet delivered before the twenty-fourth annual convention of the Baptist Churches of British Columbia, at last night's sessions in the Douglas Street Baptist Church.

The speaker took as his topic "The Living Church," and likening society to an organism, living and life-giving, he contrasted it with the individualistic idea, the selfishness of the latter being opposed by the conception of the former of social well-being. This idea of a living organism, a unity and organization, was the source of all the movements for the betterment of the race. Such a conception helped men to understand the relationship of Christian men and women to one another in the organization known as the Church. What were the fruits of the Church that justified Jesus in saying: "I am the vine and ye are the branches"? There was the unity of life and purposes, the interdependence of the parts and each part a part of the whole, reproduction and growth.

Evidence of Growth

Stating that the Church of Jesus Christ grew upon the material without the power coming from within, the speaker asserted that too many churches take the increase in names upon its rolls or the increase in social position as evidence of growth, when its real function, the subjection of the material outside by the power within, was not being exercised.

"We are told that hundreds and thousands of the youth of our land only know the name of Jesus as it supplies a word to swear with." He criticised the efforts of those who sought to lay the blame upon the public schools by declaring such an attitude was simply seeking to relieve the church and the home from the real blame. Admitting there are blemishes and scars in the church yet, he maintained, taken as a whole, a living thing in process of growth with its various members in various stages of development, nothing could be arranged so grand, so glorious as the living Church of Christ.

Hon. J. W. deB. Farris, Attorney-General, presided over last night's session, the retiring president, Dr. Russell, of Victoria, extending him a welcome. The latter, in expressing his thanks for the office, referred to the late Premier Brewster as a "working Baptist," and introduced Hon. Mr. Farris as "a lieutenant of our late esteemed Premier."

Rev. F. O. Erb, of Philadelphia, spoke on the topic, "Keeping Ahead of Yesterday," emphasizing the need of the church keeping abreast of the times and pointing to the apparent fact that the world has been forging ahead while the church in its methods has lagged behind. With the greater opportunities of today before the youth it was a truism, he said, that if the church was to live in the present its members must excel their fathers. He emphasized the necessity of getting the youth into the church, quoting an eminent professor as having stated the future of the church rests not with the automobile class but with the baby carriage class. In point of equipment, organization, lessons, worship in the Sunday schools, service and giving, must those today keep ahead of yesterday, he said.

Church a Need

Hon. Mr. Farris, in referring to the subject of Rev. Mr. Patterson's address, said that as one with responsibilities of public life in this country the theme was an inspiration to the church.

"Conditions here and all over the world are abnormal; there is an unrest, a loosening of the very joints in the foundations of society. The church should exercise an active, vital part in society, be a strengthening, a stabilizing influence. We have been told the war was fought to save democracy. After democracy has been won the problem of saving it seems to be more necessary now than in the day of battle. The church needs to be a living institution. It must be if it is to survive. The world needs that kind of an institution."

The musical programme of the evening was exceptionally good, the selections by the Emmanuel Baptist Church choir and the male quartette being greatly appreciated.

Prior to the evening meeting the young people of the church were hosts to the delegates at a supper followed by a business session at which report of the nomination committee and various resolutions were dealt with.

At the afternoon session the devotional service was led by Rev. W. H. Morrow. Rev. N. A. Harkness gave an address on "The Spiritual Life of the Teacher," and Rev. W. A. Ryder took as his topic, "Qualifications for Christian Leadership." Rev. F. O. Erb followed, out his series of educational talks by an address on the subject, "The Church's Task in Education." The group conferences covering Sunday school work proved highly interesting and instructive.

New Officers

The board officers of the convention were elected at the morning session. Rev. A. B. Baker, Mount Pleasant Baptist Church, Vancouver, was named president; Professor E. Scott Eaton, principal of the Success Business College, Vancouver, first vice-president; Mrs. Spofford, Victoria, second vice-president, and Rev. F. W. Anvauche, of Sapperton, secretary-treasurer. The morning's devotional service was led by Rev. W. A. Bennett. The following reports were presented: State of Religion Committee, by Rev. D. G. McDonald; Obituary Committee, by Rev. R. McCullough; Committee on Isolated Members and Distribution of Literature, by Rev. A. Grieve, and Historical Committee, by Rev. Robert Lennie. Rev. G. Reynolds delivered a powerful address on "The Power of the Holy Spirit in the Church."

A feature of the afternoon session was a resolution moved by Mr. W. Marchant and unanimously adopted declaring Mrs. Helen Grant, of Victoria, a member for life of the convention, action taken "because of her long, faithful and distinguished service rendered to the denomination and also as a mark of the high esteem in which she is held by the Baptist people of the Province."

The convention will conclude today, the programme being as follows:

Morning

9:30 a.m.—Devotional service, Rev. J. E. Tyner.

10 a.m.—Report of Baptist Union meetings, Rev. A. F. Baker; Discussion.

11:30 a.m.—Report of Forward Movement, Rev. S. Sheldon.

Adjournment.

Afternoon

2 p.m.—Devotional service, Rev. G. Wood.

2:15 p.m.—Notice of motion, W. Marchant.

2:40 p.m.—Election of Officers, Board, Committees and Delegates to Union.

3 p.m.—Address, "Prohibition Referendum," Rev. H. E. Whiddon, D.D.

3:20 p.m.—Report of Women's Board and Italian Work.

4 p.m.—Unfinished Business.

Adjournment.

Evening

7:30 p.m.—Song Service, Emmanuel Church Choir.

8 p.m.—Address, Rev. L. H. Orchard. Address, Rev. F. W. Patterson, D.D.

Adjournment.

REFERS TO HOSPITALS THAT ARE DEFECTIVE

(Continued from Page 1)

Continuing, Dr. Bowman said: "You have, in many respects, the greatest medical practitioners of any country. They want to take life right care of sick people, and do not try to turn the profession into a purely commercial enterprise. Your doctors are very sensitive, and do not take kindly to criticism, but when they realize that their calling is a great community benefit and interest they will be more willing to see that criticism is both helpful to them and to the best interest of their clients. In their work, and that of hospitals in general in Canada, I find that there are fewer cliques, less ill-will and more general devotion to the high calling of their profession than exists in other countries. In these attributes I consider Canadian doctors lead the American continent.

"Every man, woman and child has the inherited right to battery, and when I go back across the line I can truthfully say that the hospitals of Western Canada have quite outdistanced in many ways those of both Eastern Canada and the Eastern States."

Excellent addresses in the morning session were given by Dr. J. M. Pearson, of Vancouver; Dr. H. B. Rogers, of Victoria; Mr. R. S. Day, of Victoria, and Miss Elisabeth Master, of Vancouver.

Speaking of the pay of dieticians in British Columbia hospitals from personal experience, Miss Master stated:

"In the hospital in which I was working, for skilled work in this line, she said, "I was receiving $45 a month and maintenance, while the Chinese cook was getting $90 per month and maintenance."

Comment on the absolute lack of Government remuneration of hospitals was made by Dr. H. C. Wrinch, of Hazelton. He urged a Government commission, with the right to inspect, standardize and penalize.

SINGING COMEDIENNE IN ORPHEUM BILL

Irene Franklin in Entirely New Line of Songs Heads Programme at Royal Victoria Tonight

Irene Franklin, justly termed the "Lyrette" Gilbert of America," one of the foremost and most popular singing comediennes on the stage today, together with Burton Green, will be the headline attraction at the Orpheum tonight, Saturday matinee and night. Miss Franklin has an entire new line of songs, mirthful, wistful, jolly and plaintive, all of familiar types and human incidents, and all of which have been written by Miss Franklin herself, with the musical settings and melodies by Mr. Green. Added to this, Miss Franklin will wear several costumes that have been described as "ravishingly beautiful" advanced models, creations every one of them. Miss Franklin's act gives every promise of being one of the bright spots of Orpheum time this year.

"The Creole Fashion Plate, a delineator of song and fashion, with both running a dead heat and coming under the wire nose and nose. Advance style, the very last thing in ultra-modish, voguish attire, exquisite and sometimes audacious blending of colors, curves and the lack of them, have made the Creole Fashion Plate a subject for discussion.

Percy Bronson and Winnie Baldwin will be on this same bill presenting "Visions of 1876," by Jack Lait. The lyrics were written by Harry Williams and the music is from the fertile brain of Neil Moret. The scene is laid in the sun parlor of Miss Baldwin's bungalow roof of the Aluminum Building, New York City. The act is handsomely staged and occupies a full half hour.

Val and Ernie Stanton describe themselves as "English Boys from America." Their laughter spreads like a prairie fire. They have a clever assortment of good natured nonsense which compels the lips to spread and a laugh to come forth no matter how hard one might attempt to suppress it.

A belief that one's profession is in their appearance is shattered by the three Danoise sisters. Here is a trio of young women who would be taken for anything but gymnasts. Their feats are carefully planned and accurately executed.

"The Man Off the Ice Wagon" is the billing attached to a single appearing next week. The man off the ice wagon was a find on the lower East Side who has a Caruso-like voice, and his act is admirably executed.

Chong and Rosie Moey will present their Chinese version of American song and dance. Their rendition of the latest melodies may well be expected to be a little different from Irving Berlin's, but this difference makes it doubly fascinating.

Attention of Orpheum fans is directed to the forthcoming appearance of Singer's Midgets, who will be here sometime in July. This is said to be the world's greatest array of entertainers, concerning whose remarkable achievements paens of praise have been recorded. It is the highest paid act in vaudeville the world over. It is a circus, an extravaganza, a musical comedy, a Wild West show, a vocal and instrumental concert, an athletic and a fashion parade all in one. It will be the feature of the Orpheum season.

PANTAGES THEATRE Although the big spectacle feature of the bill of Pantages vaudeville this week is found in the offering of China's greatest magician, Long Tack Sam, and his troupe of Oriental wonder workers, there is an added number on the programme that will greatly interest the younger generation present in the audience this afternoon. It is presented by two little French girls, Corty and Althoff, who last toured this continent as child prodigies and were enthusiastically received for their remarkable renditions of difficult piano compositions. The two girls are really sisters and in their present act one plays the piano and the other sings. They were born in Holland and are the grandchildren of Pierre Corts, professor in the Paris Conservatory of Music, and the first in the world to introduce a children's orchestra. Their father is a noted violin and cornet soloist, but their mother, who travels with them, is not in any way musically inclined. Four other acts, headlined by the famous Long Tack Sam troupe, and motion picture features complete the week's bill.

DOMINION THEATRE At the Dominion May Allison in her latest production continues to delight audiences. In this one of her best pictures, "Fair and Warmer," she has a captivating role, rich in comedy and novel situations. The unusual theme of this comedy farce is that too perfect a husband is a bore. As for what happens as a result of one husband's perfections and another's deliberate sowing of suspicion, that's where the genius of Avery Hopwood's play and the charm of May Allison comes in in "Fair and Warmer." The Harold Lloyd comedy, "His Royal Slyness," also provides good fun and entertainment.

VARIETY THEATRE Enid Bennett has stopped being the disillusioned young wife and in "The Woman in the Suitcase," at the Variety Theatre today is the devoted daughter of a father who isn't quite the ideal that she thinks he is. It's not a woman that is tucked away in Papa Moreland's travelling bag, as you might imagine from the title, but the photograph of a designing member of the sex. The picture is decorated with some highly incriminating sentiments that convince Mary Moreland, played by Miss Bennett, that her dad is in the clutches of an unknown vampire called Dollie. She doesn't sit down and cry, or even tell her mother about it, but starts out to "show up" the siren and demonstrate to her father the error of his ways. Meeting an escort, she secures a young adventurer, Billie Fiske, by inserting an ad in the papers. Between them they evolve a scheme that lands them in a very fazzy cabaret that apparently has forgotten that July 1st was anything but a date. A bit of top-speed action follows, in which Billie beats up a bounder companion of Dollie's and Mary proves to Mr. Moreland that a good home is more to be desired than a heartless Cleopatra like Dollie.

COLUMBIA THEATRE Nigel Barrie, who is seen in the leading male role in Clara Kimball Young's forthcoming select Picture, "The Better Wife," which plays at the Columbia Theatre today, is making his first appearance on the screen since the Great War came to a close. Shortly after the declaration of war, Mr. Barrie left this country and went to England, where he joined the Royal Flying Corps. He soon won his commission and shortly after saw active service on the French front. Mr. Barrie was born in Calcutta, India, and he received his education in England and at Heidelberg, Germany. His early career was in comic opera, drama and vaudeville. At one time he played opposite Grace George in "Half an Hour," and also played the lead in "The Laughing Husband."

PRETTY GLORIA SWANSON

Not Not in Opening Scenes of "Why Change Your Wife"

Photoplay fans who recall the luxurious beauty of Gloria Swanson in "Male and Female" will hardly recognize her in the opening scenes of the new Cecil B. DeMille production, "Why Change Your Wife?" which will be the attraction at the Dominion Theatre next week. Miss Swanson has the role of a too wifely wife, who neglects her beauty for her home, wears unbecoming clothes and horn-rimmed spectacles, and can't keep her husband home nights. Later, however, after Friend Husband, played by Thomas Meighan, has wandered off with a designing siren, she realizes what has lost him and forthwith blossoms like a rose into the bewitching Gloria as we usually know her. "Why Change Your Wife?" is a striking story of young married life by William DeMille, produced by Cecil B. DeMille on a luxurious scale and against a background of rare beauty. It is a Paramount Artcraft picture.

INTERESTING EXHIBIT AT STRAWBERRY VALE

Mr. J. W. Gibson Presents Prizes to the Pupils—Sporting Equipment to Be Given for Efficiency

Under the auspices of the Strawberry Vale Women's Institute, an interesting exhibit was held yesterday afternoon in the Strawberry Vale school, when there was a large attendance of parents of the children, and all were greatly pleased with the progress that has been made.

Mr. Ravey introduced Mr. J. W. Gibson, of the Department of Education, who was in the chair, and who announced that in view of the splendid proficiency shown it has been decided to present to the school a complete sporting equipment in time for the Fall term.

The prizes were presented by Mr. Gibson, as follows:

Division 3—Proficiency, Irene Hull; Deportment, Helen Cochrane; Regularity and Punctuality, Aubrey Hull.

Division 2—Proficiency, Daisy Bell; Deportment, Ernest Burnham; Regularity and Punctuality, Arthur Hale.

Division 3—Proficiency, E. M. Cummins; Deportment, Clara Taperbog; Regularity and Punctuality, Leonard Gillie.

Division 2—Max Wakeling, 1st, Dorothy Cummins; 2nd, Beagie Sams. Boys: 1st, Wilfred Semple; 2nd, Byron McNutt.

Division 2—Best arranged bowl of flowers—1st, Mary Fisher; 2nd, Jessie Lytle.

Best trimmed hat, (boys)—1st, E. Cummins; 2nd, Eric Foster.

Division 1—1st, Elmer Jones; 2nd, W. Greenwood.

Manual Training Prize—1st, Leonard Gillie; 2nd, Herman Williams.

During the afternoon the school children sang several songs in a very pleasing style.

SUNDAY SCHOOL OUTING

Young People of St. Mary's Church to Picnic at Douglas Park Saturday

Given good weather Saturday should be a great day at Mount Douglas Park for the members of St. Marys' (Oak Bay) Sunday School. All arrangements have now been completed for the picnic, and judging from reports received the prospects for a record party are good. Messrs. Cameron & Calwell's "sight seeing" cars have been engaged to convey the party to and from the park, etc.

The start will be at 9 a.m. from the church, Fanny Street; also one car will leave at 1:30 p.m. to accommodate a few who are unable to join the main party at the earlier hour. The return will be by two journeys, the first at six, and the latter at half past seven.

As has been the custom in past years the Sunday School will provide dinner and tea for the children, for which generous contributions have been received from members of the congregation. For adults it will be a basket picnic.

Sports will commence at 1:30, to be followed by a baseball game between the Young Men's Bible Class and the rest of the school.

The refreshment committee have arranged for the sale of ice cream, etc., on the grounds.

Strike at Tampico

MEXICO CITY, June 24.—All machinists in the railway shops of Tampico have struck, demanding higher wages, according to a dispatch to The Excelsior.

Prorogation Delayed

OTTAWA, June 24.—Hope that Parliament will prorogue at the end of this week has, it is understood, been abandoned. An effort is now being made to conclude the business of the session by the middle of next week.

Mr. Herbert Osborn Tells How Cuticura Healed His Wife

"My wife began to be troubled with itching and burning of the palms of her hands and the soles of her feet. Later the skin cracked and became inflamed, making walking or even standing very painful and preventing sleep at night. Later it became necessary to bandage both hands and feet.

"She was treated but obtained no relief. She saw an advertisement for Cuticura Soap and Ointment and sent for a free sample. She bought more and after using two cakes of Cuticura Soap and two boxes of Cuticura Ointment she was healed." (Signed) Herbert Osborn, 125 Sherbrooke Ave., Ottawa, Ont., Sept. 3, 1919.

Cuticura is ideal for every-day toilet uses. Soap to cleanse and purify, Ointment to soothe and heal.

Soap 25c, Ointment 25 and 50c. Sold throughout the Dominion. Cuticura Soap Shaving Stick 25. Post 25. Address: Cuticura Laboratories, Malden, Mass.

SOCIAL AND PERSONAL

Dr. and Mrs. Alister Forbes, of Mill Bay, Cobble Hill, have left for a trip to Nugget and the upper country.

The many friends of Mr. G. D. Mawdsley, rector's warden of St. John's Church, will be pleased to know that he is progressing favorably after undergoing an operation at St. Joseph's Hospital on Wednesday. He, however, does not wish to receive visitors before Sunday.

Miss Marjory Speed, pupil of Mrs. W. J. Smith, L.T.S.M., successfully passed the primary division of the Associated Board of the Royal Academy and Royal College of Music.

Dr. and Mrs. G. L. Milne, of this city, are visiting at present in Vancouver.

Mr. and Mrs. M. J. McKeown, of Vancouver, are spending a few days in Victoria.

Mrs. T. D. Pettipiece, 1116 Fort Street, has as her guest Mrs. Charles Macdonald, of Vancouver.

Hon. Dr. J. H. King and Mrs. King are in Vancouver. Dr. King has been attending the medical convention. They are staying at the Hotel Vancouver.

Among the visitors from the Mainland is Mrs. J. H. Carlisle, who came over from Vancouver on Monday.

Mrs. E. L. Webber, of Vancouver, is a delegate to the Baptist Convention which is being held in the Douglas Street Baptist Church.

Dr. and Mrs. H. E. Alexander have come to the Coast from Saskatoon for a holiday. Dr. Alexander has been attending the medical convention in Vancouver, and when the sessions are over he and Mrs. Alexander will come on to this city.

Mr. and Mrs. Sutherland, of Gambier Harbor, are in Vancouver, having sailed there in their yacht. Mrs. Sutherland is professionally Dr. Maud Sutherland and has been attending at the medical convention in Vancouver.

Col. and Mrs. J. H. Holmes, 1065 Carberry Gardens, are having the pleasure of a visit from their daughter, Mrs. G. C. Studd, of Vancouver, and her two children. Mrs. Studd will be with her parents for two weeks.

Among the notable visitors this week at the Chateau, Lake Louise, are Cornelius Vanderbilt, jr., Brigadier-General Sir Percy Lake, Mr. and Mrs. Frank Dusch, Mr. and Mrs. George Barr McCutcheon, Mr. George McManus, the cartoonist, and Dr. and Mrs. Herbst, of Rochester. The beautiful trails in the vicinity of the Chateau are now becoming accessible and Swiss guides have been secured for the benefit of the guests. It is expected that the season will be a record one, nearly all available accommodation having been reserved for July and August.—Vancouver Sun.

Mrs. Piggott, of this city, is the guest of Mrs. Basil Jayne, in Vancouver.

Mrs. Justin Gilbert, who for the past two years has been residing at Pasadena, Cal., has returned to Victoria for the Summer months.

The regular meeting of the Queen Alexandra Review was held on Wednesday evening and seven candidates were given the first degree, while seven additional applications were registered and balloted on. The meeting voted a generous contribution to the Jewish Relief Association.

A silver tea will be held by the ladies of the Queen Alexandra Review at the residence of Mrs. F. W. Laing, 1419 Stanley Ave., on the afternoon of next Monday.

Mr. and Mrs. Will Spencer, Mr. and Mrs. David Spencer, and the Misses Sarah, Mary and Agnes Spencer went over to Vancouver this week to attend the wedding of their niece, Miss Norma Spencer, daughter of Mr. and Mrs. Chris Spencer, of Vancouver.

Up-Island visitors to the city are Major and Mrs. Rice and Master Rice, Duncan, and Mr. and Mrs. E. Allen, Somenos, who are staying at the Dominion.

Mr. and Mrs. Horne, Mrs. Althof and the Misses Althof, of New York City, are spending the week-end at the Douglas Hotel. They have been on an automobile tour of the Island and express themselves as delighted with the scenic beauties on their trip.

Dr. S. E. Osterhout and Mrs. Osterhout, of Vancouver, are registered at the Douglas Hotel.

Mr. and Mrs. William Peterson, 2518 Vancouver Street, announce the forthcoming marriage of their daughter, Imbel Mary Peterson, to Henry Irving Stoddart, son of Mr. S. A. Stoddart, 1449 Fell Street, on Saturday, June 26, at 8.30, at St. Mary's Church, Oak Bay.

Miss Gertrude Bryce, daughter of Wm. Bryce, 1406 Elford Street, returned home yesterday on the s.s. Governor from California, having just completed her second year's work as a student at Leland Stanford University.

WEDDINGS

Hitchcox—Appleby

The wedding of Miss Constance Appleby, daughter of Mr. and Mrs. H. Appleby, 936 Cloverdale Avenue, to Mr. Frederick William Hitchcox, son of Mr. and Mrs. Charles W. Hitchcox, "Fairview," Cordova Bay, took place on Wednesday afternoon at the Douglas Street First Baptist Church, the Rev. M. T. Habershon officiating. The bride, who was given away by her father, was very becomingly attired in a suit of fawn tricotine, with blue brocaded vest, and a picture hat of blue georgette, and carried a shower bouquet of white carnations. She was attended by her sister, Miss Elizabeth Appleby, gowned in grey satin and wearing a corsage bouquet of pink carnations. Miss Phyllis Appleby, who attended the bride as flower girl, was dressed in pink crepe de Chine and carried a bouquet of pink roseburds. Mr. Walter C. Hitchcox, brother of the bridegroom, acted as groomsman. After the ceremony a dainty buffet luncheon was served at the home of the bride's parents. Mr. and Mrs. Hitchcox left on the afternoon boat for Seattle, where the honeymoon will be spent, and on their return will take up their residence in this city.

Cumming—Banner

The marriage of Ethel, daughter of Mrs. E. Banner, sr., of 923 McClure Street, to Mr. Charles Cumming, of Forres, Scotland, took place at eight o'clock on Wednesday evening at the Reformed Episcopal Church, the Rev. A. deB. Owen officiating. The bride was given in marriage by her brother, Mr. Charles G. Banner, and was attended by her sister, Miss Dorothy Banner, as bridesmaid, the groom being supported by Mr. E. Morse. After the ceremony a reception was held at the home of the bride's mother, where the young couple received the congratulations of their many friends. Later Mr. and Mrs. Cumming motored to the Cadboro Bay Hotel to spend a few days, and upon their return to the city will reside at 923 McClure Street, until they set out on July 3rd for Calgary, where they will make their home.

McLeod—Seabing

The wedding took place at the home of Mrs. C. Jenkins, 1516 Vining Street, Wednesday, in the presence of a large number of guests, of her daughter, Florence May, and Elmer Mateed, of the staff of the Northern Pacific Railway, Butte, Montana. The Rev. H. Wilkinson officiated. The bride was dressed in a beautiful travelling suit of tricolette. Miss Jenkins, sister of the bride, was bridesmaid and was dressed in navy blue silk draped with crepe de Chine. Mr. William Douglas Tait supported the groom. The house was beautifully decorated for the occasion with white roses, carnations and ferns. The bride was the recipient of a large number of very valuable presents, also a cheque from the B. C. Permanent Loan Co., where she was employed. Refreshments were served and a happy time was spent by all the guests. Followed by the good wishes of their many friends, the young couple left for their honeymoon on a tour of the Island, after which they will make their home in Butte, Montana.

The Jewish Relief Committee want volunteers to assist them. Come to the meeting Saturday night at Dixi Rose' old store on Government Street.

"I Wonder Would It Help Me?"

THIS question has been answered by many thousands of women who have found health and happiness in the use of Dr. Chase's Nerve Food.

Sleeplessness, irritability, nervousness, gloomy forebodings of the future, depression and discouragement—these are some of the symptoms which tell of exhausted nerves.

In order to avoid nervous prostration or some form of paralysis it is well to get the building up process established at once by use of Dr. Chase's Nerve Food.

50 cents a box, 6 for $2.75, all dealers or Edmanson, Bates & Co., Ltd., Toronto.

MISS NORMA SPENCER WAS CHARMING BRIDE

Marriage to Mr. Frederick McGregor Was Solemnized in Kerrisdale Methodist Church on Wednesday

On account of the popularity of Miss Norma Spencer in this city, where the family formerly resided, and the fact that she still has many relatives here, the following account of her marriage printed in The Vancouver Sun of Thursday morning will be of much interest to Colonist readers:

Kerrisdale Methodist Church was the scene of a very pretty wedding on Wednesday, when Miss Norma Spencer, daughter of Mr. and Mrs. Chris Spencer, became the bride of Mr. Frederick McGregor. The ceremony was performed by the Rev. Mr. Brown.

The interior of the church was beautifully decorated with peonies, roses and palms, and the bridal party passed beneath arches of greenery and flowers. The wedding march was played by Mrs. Lorne H. Browne, and the choir gave an effective rendering of the "Bridal Chorus."

The bride wore a lovely gown of white satin with bridal veil and orange blossoms, and carried a bouquet of roses. She was attended by Miss Beulah Pearson, who was attired in a dainty creation of ivory georgette over shell-pink charmeuse, the skirt being inset with beautiful point lace. Her hat was of pink georgette, and she carried a bouquet of pink and mauve sweet peas.

The groom was supported by Mr. James Bunnell.

After the wedding a buffet supper was served at the home of the bride's parents, where the rooms were decorated with a profusion of blooms. The young ladies who assisted in serving were Miss Jean Spencer, Miss Doris Goddard, Miss Verona Ash, Miss Frances Chappell and Miss Elsie Rilance. The guests included: Mr. and Mrs. David Spencer (Victoria), Mr. and Mrs. Will Spencer (Victoria), Miss Sarah Spencer (Victoria), Mr. and Mrs. G. G. McGeer, Mr. and Mrs. Deane Spencer, Mr. and Mrs. Victor Spencer, Mrs. David Spencer, Sr., of Victoria, Mr. Lloyd Spencer, Master Owen Spencer, Miss Evans, Mr. and Mrs. D. Rilance, Mrs. Percy Reid, Mr. and Mrs. Allan Bowles, Mr. and Mrs. A. Large, Miss Adelaide Large, Mrs. R. Patton, of Regina, Mr. and Mrs. Hubert G. Gordon, Mr. and Mrs. Ben Cantiffe, Mr. and Mrs. Thomas Pearson, Mrs. Percy Reid, Mr. and Mrs. J. S. Noble, Mr. and Mrs. W. H. Clark.

G. T. R. EMPLOYEES REJECT WAGE AWARD

MONTREAL, June 24.—At a meeting of the local division of the Canadian Brotherhood of Railway Employees held last night, to which all Grand Trunk employees in Montreal were invited, about 900 attending, it was decided to reject the report of the majority award regarding wages of office employees.

It was said that a vote will now be taken from the employees of the whole Grand Trunk system as to whether or not they will accept the majority award. This will be taken by mail and sent to headquarters at Ottawa.

FIFTY YEARS AGO TODAY

(From The British Colonist of June 25, 1870)

Help From Home—Contributions towards the rebuilding of Christ Church Cathedral are slowly but surely coming in from afar. The following Oundle item appears in an English provincial paper: "On Sunday, collections were made in the parish church after sermons preached by the Dean and Rev. G. L. Ribbon, amounting to upwards of £10. The claims urged upon the congregation specially were as applying to the Cathedral of Christ Church, Victoria, lately destroyed by fire, and the Rev Mr. Cridge, Dean of the cathedral, having been master of the Oundle Grammar School, it added more than usual interest."

Victoria's Population—So accustomed had people become to hearing the creaking song of "ruin and decay" that men began to think there was more of truth than poetry in it. While in a comparative sense there is too much truth in it, that it is not true in fact will readily appear from the official census and statistical returns for 1869, as compared with those taken in 1867. Commencing with the population of this city, we find that the population, exclusive of Indians, was 4,398 last year. In 1867 it was 3,411. In 1869 it was 2,360. According to these figures the population has nearly doubled since 1867, and it is nearly twice as large as it was in the gloomy days of 1866. Turning to the rural districts forming the Electoral District, of Victoria, we find a no less gratifying state of affairs. The rural population is now 1,062. In 1867 it was little more than 600.

Have You Heard These New Records?

They are typical of the rich vein of humor and fun you will find in the latest supplement of "His Master's Voice" Records.

"That Old Irish Mother of Mine"

No. 216145—A new Irish song of rare beauty splendidly rendered by the Sterling Trio.

"I Like to Do It"

No. 216101—The kind of a song that only Billy Murray can sing with proper effect.

"Venetian Moon"

No. 216158—You have heard it as a waltz. Let the Sterling Trio sing it while you dance.

"Melodious Jazz"

No. 216144—Something very "jazzical," unusual and indescribable by the American Quartette.

"Oh! By Jings—Oh! By Gee!"

No. 216141—Let Billy Murray tell you this surprising story about a lady from San Domingo.

TERROR REIGNS IN LONDONDERRY

Streets Swept by Rifle and Machine Gun Fire—Citizens Face Starvation — Troops Bring Comparative Quiet

LONDONDERRY, June 24.—Terror held sway here yesterday and last night, rifle and machine gun fire sweeping the streets in the fiercest fighting to develop thus far in the civil war which began last Friday between Unionist and Nationalist forces.

The number of killed and injured during the day had not been determined, as it has been impossible to reach the scene of the veritable pitched battles in Bishop, Cross and Bond Streets. It is believed, however, that there were scores of victims. Hospitals are being taxed to their capacity in caring for those struck down by bullets fired by the opposing factions.

Rumors of the most alarming character are current here. Nationalist forces are said to be gathering in the northwest of the city, preparatory to an attack, while Unionists are entering the town and are being collected for a grim defence of the place. Several companies of soldiers are on their way here from Belfast, but are making part of the trip on foot, it being feared that the trains carrying them would be wrecked by lawless elements. Some troops arrived here yesterday, and a British destroyer is lying in Lough Foyle, north of the city.

Only Extremists Fight

The men engaged in the actual fighting are extremists of the contending factions, and probably number only a few hundred. They absolutely terrorized the city yesterday, however, as they fired volleys down the streets from barricades they had erected, or posted on roofs or in windows, shot at almost every one who dared to appear.

Bishop Street, a long thoroughfare running southwest from the town hall, has been the principal battleground during the last 24 hours. Sinn Feiners have concentrated near St. Columbkille's College, about three-quarters of a mile out on this street, while the Unionists have taken up positions near the centre of the town, and have erected sandbag breastworks in Barrack Street. It was reported early last night that the bodies of several men killed during the day's fighting were lying in Bishop Street and could not be reached because of the heavy fire maintained by the belligerents.

Londonderry is facing starvation if the fighting continues. It is impossible to deliver supplies to houses, and no one dares to venture out of doors in the business section of the town. There is danger, too, of a failure in the gas supply. Fearing further disorders, hundreds of people have left the city for the south, some being reported to have arrived at Strabane.

Troops at Work

More British troops have arrived in the city, and their greater activities in efforts to protect life and property has had a quieting effect. Only occasional shots were heard after midnight this morning. Two snipers have been arrested by the soldiers.

Besides actually attacking snipers with armored cars and machine guns, the troops have done much rescue work. When it was reported last night that the Sinn Feiners were about to attack a cluster of houses, armored cars were rushed to the scene, and the troops removed terrified women and children to another section of the town. The gas works have also been protected by armed men.

Aside from an occasional shot by a sniper there was no firing up to early this afternoon.

The gas supply ceased at 5 o'clock this morning, and the inhabitants in some sections were left in a serious plight, without heat, light or bread.

Portions of the outlying districts are being patrolled by Ulster Volunteers, while Nationalist Volunteers are guarding their sections.

Victims of Firing

Many additional wounded reached the hospitals during the night.

A barber named McLaughlin was killed this morning by a bullet of a sniper who was firing at long range. John McKinney, who was wounded yesterday, died today. The body of a commercial traveler, which was lying in the street where he was killed on Tuesday, was recovered during the morning.

Wire barricades and trees have been thrown across the main road to Londonderry by Nationalists, apparently in an effort to hamper the troops. Some of the telegraph and telephone lines leading into the town have been cut.

A number of Sinn Feiners rounded up by the military had arms and plenty of ammunition. They were handed over to the police. Among those arrested was a priest, but he was released.

The destroyer which arrived in the River Foyle yesterday was forced to change its berth early this morning because snipers were firing at the warship.

Killed by Stray Bullets

BELFAST, June 24.—Two more deaths have occurred as a result of the fighting at Londonderry, bringing the total number of known dead up to 11. A woman named Mills was killed last night while standing in her own door, and William Rankin died of wounds inflicted by Sinn Fein snipers, who fired upon him while he was on his way to feed his horses.

Chief Secretary's Statement

LONDON, June 24.—Sir Hamar Greenwood, Chief Secretary for Ireland, today received another urgent telegram from the Londonderry magistrates, expressing their alarm that no action was being taken by the Government in response to the appeal they made early in the fighting in that city between Nationalists and Unionists. They consider the situation desperate, and fear it will become worse. The message adds that food supplies are running short, and the gas supply for the city is almost exhausted.

Request was made by the magistrates for some assurance from the Government that immediate action would be taken to allay the panic among the citizens of Londonderry.

In replying, Sir Hamar said General Nevil Macready, in command of British troops in the city, would take every possible step, with the Government's approval, to remedy the situation.

CANADIAN FIRM SELLS TO SOVIET

Bureau in New York Repeats Statement as to Negotiations for Rolling Stock—Company Declines Order

NEW YORK, June 24.—It was reported today on good authority that representatives of at least one big Canadian firm are now in New York for the purpose of negotiating with Ludwig Martens, head of the Soviet Government bureau here, in regard to the efforts of the Soviet Government to purchase supplies in Canada.

Officials of the Soviet bureau, when questioned by the Canadian Press, declared that this report was correct, but refused to give out any details regarding the alleged negotiations.

They stated that today's conference is in regard to the $5,000,000 contract which they hope will be the first of a number of contracts to be made with Canadian firms. They said this order is for rolling stock, and that the negotiations are with a Montreal company. "Announcement of further details will have to come from the firm which is interested in this deal," it was stated. "Until they are ready to make the matter public we cannot give out their names."

It is reported that representatives of this company have been in New York for several days, and have had previous interviews with M. Martens. When his attention was called to the denial issued by the Canadian Manufacturers' Association that any of the association's members had had dealings with agents of the Soviet Government, Martens reiterated his statement that his agents had been favorably received by the manufacturers while in Canada, and that preliminaries for trading were being discussed with a number of Canadian firms.

"The statement which I made yesterday was correct in every particular," he declared.

MONTREAL, June 24.—The National Drug & Chemical Company, of this city, this morning reported that they had been approached by representatives of the Russian Soviet Government and had been offered a large contract for drugs to be shipped to Russia. The agents had suggested putting up money as security, but the directors of the company did not think that the offer was an attractive one, and so the men were turned away empty-handed.

SOVIET IS READY TO GUIDE WORLD

Member Tells Congress of Chinese Workers Russia Is Prepared to Help Nations "Struggling for Freedom"

MOSCOW, June 24.—In a speech to the congress of Chinese workers here, M. Voznesensky, head of the eastern department, foreign affairs, indicated the basis of Russia's policy toward revolutionary movements in Turkey, Persia and other Eastern countries.

He said Russia was no longer insignificant, but was a tremendous force, and that she was prepared to lend moral support to all nations struggling for freedom, not only those based on the soviet principles, but to all who appealed to soviet Russia for material assistance.

Sixty Chinese delegates, representing 120,000 organized workers in Russia, Siberia, Manchuria and Turkestan, and the Shanghai revolutionaries, passed a resolution favoring the reopening of diplomatic relations between Russia and China. The resolution invited Dr. Sun Yat Sen, leader of the revolutionary party in China, to visit Moscow. The congress sent a protest to the Chinese government against the Chinese-Japanese military convention authorizing the use of the Manchurian railway to transport troops in the event of a movement of soviet troops in East China.

TO EXTEND CARE FOR DEFECTIVES

Hon. Dr. MacLean Announces That Government Contemplates Establishment of Convalescent Hospital

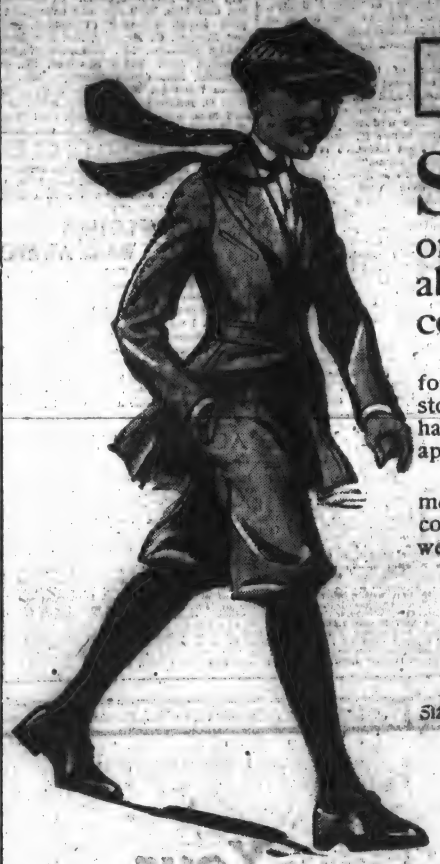
VANCOUVER, B.C., July 24.—Important statements of policy regarding the care of mentally deficient by Hon. Dr. J. D. MacLean, Provincial Secretary, and high praise by Eastern authorities for the leadership given by this Province in these matters, featured a public meeting held here this evening by the Canadian National Council of Mental Hygiene.

Dr. MacLean announced that the Government was giving serious consideration to the establishment of a convalescent hospital to supplement the curative work of the institution at Essondale and prepare cured patients for return to the stress and strain of civil life. He also stated that every hospital should have a specialist in mental disease on its regular staff, and that the Government should pay for part of his support, on account of the great public benefit which would accrue.

He touched at length the causes of insanity, prominent among which he mentioned heredity, and stated that parents of children who might be subject to heredity influences of this sort should develop the resistance of such children by various tests and should train them for mechanical rather than mental occupations. Such children should also be taught to avoid excesses and stimulants. He scored the immigration policy of the past, which had admitted so many mentally deficient people, as evidenced by the large proportion of foreigners in the asylums.

Mothers of Boys!

This Boys' Clothing Store Is Moving and a GREAT SALE Is On



Sale Commences Saturday Morning

SALES at this Boys' Store are few, but when they do occur, bargains of an exceptional nature are offered. This Removal Sale will be the most remarkable stock-clearing event that Sam Scott has ever conducted.

Our premises are required by the Merchants Bank, and the store next door will be ready for our occupation very soon. Recognizing that it is practically impossible to move a stock such as this (even so short a distance) without loss from crushing or soiling, we have chosen the only alternative. We will dispose of our stock by the sheer irresistible appeal of values.

With every indication of higher prices prevailing for some time to come, good judgment should prompt every mother to buy liberally for her boy while this removal sale continues. A glance at the items below will tell the full story of the price concessions we have made.

70 DOZEN Boys' Pure Linen Collars Will Be Given Away

Sizes are 12½ to 14. One dozen collars will be given to each of the first 70 customers we serve when the sale begins, Saturday morning, at 8 o'clock.

Sale Begins Saturday Morning at 8

TELEPHONE 7128-O.

OLYMPIC HAS BEEN EQUIPPED WITH OIL

Huge Liner Returning to Service After Year's Absence for Reconditioning and Converting—Advantages of Change

A cable message from London reports that the largest oil-burning steamer in the world, the White Star Liner Olympic, will re-enter the passenger service between New York, Cherbourg and Southampton after an absence of nearly a year, during which time the vessel has been reconditioned throughout.

The selection of oil fuel as a motive power for this mammoth steamer was made after exhaustive tests, and follows the latest marine practice of the world's greatest navies and thousands of mercantile vessels. Scores of large liners in the United States and abroad are at present in the process of conversion, so that to use the plain phrase has it, the final operation of converting the Olympic's 159 furnaces from coal to oil fuel to provide steam in the twenty-nine boilers has been a most intricate and successful one, 4,000 workmen having been employed for several months installing special machinery for this purpose. The Olympic's oil-carrying capacity is estimated at 50,000 barrels which will be stored in the cellular compartments between the ship's double bottom. It is estimated that the steamer will require 25,000 barrels on each voyage, the quantity varying slightly according to the speed. The International Mercantile Marine Company is reported to have negotiated contracts recently for large deliveries of fuel oil for all its oil-burning steamers, including the Olympic. The installation of oil, which is easily loaded by gravity or pumped from tankers, is expected to eliminate all the delays heretofore caused by bad weather and other unusual conditions, which frequently interfered with coal loading, and will also result in greater comfort to the passengers because of the absence of dust and cinders on the decks. The oil is blown in a fine spray under each furnace, and an even speed can be maintained at all times because the cleaning out of the furnaces, which is necessary when coal is used, will be avoided.

The Olympic's outward appearance has not been altered, but numerous luxurious improvements have been made in the steamer's already beautiful public apartments and stateroom accommodations. While every trace of the splendid war-time services rendered by this big ship has been removed, the Olympic's unique war record, which will not soon be forgotten, includes the towing of the big battle cruiser Audacious, the ramming and sinking of a German submarine and the transportation of more than 200,000 persons across the Atlantic and in the Mediterranean amid unknown submarine dangers, all without the loss of a life. While performing these exploits the Olympic steamed 184,000 miles and consumed 347,000 tons of coal with not the slightest delay or accident to the machinery. The Olympic's commander, who has served in the same capacity for some years past, is Captain Sir Bertram Fox Hayes, K.C.M.G., D.S.O. Captain Hayes was the first officer of the British mercantile marine to be knighted by King George in recognition of his distinguished war services.

Help save the starving women and children by attending the meeting at the old Dixi Rose Store, Saturday night. The committee needs your assistance.

Canadian National Railway's New Train

Effective on June 26th, a fast daily train will operate between Vancouver, Winnipeg and Eastern points, as a result of co-ordinating the Grand Trunk Pacific and Canadian National service in the West.

The train will leave Vancouver at 3:00 p.m., reach Edmonton at 3:00 a.m., second morning, Saskatoon 8:00 o'clock second evening, Winnipeg at 11:40 o'clock third morning. This train will be known as "The National," and will take the place of the present 9 o'clock morning train, which, on and after June 26th, will be discontinued.

GOVERNMENT APPOINTS YARD REPRESENTATIVE

Mr. H. A. Barnett Will Look After Federal Interests During Construction of Barquentines at Cholberg Plant

Mr. Harry A. Barnett has been appointed to represent the Dominion Government at the Cholberg Yard, where boats are being built by the Victoria Shipowners, Ltd., with the aid of a Federal Government loan. In view of this fact Federal interests will be safeguarded by Mr. Barnett, who will see to it that the barquentines are properly constructed.

Mr. Barnett took up his new duties on Wednesday morning. He was Lloyd's representative on the Imperial Munitions Board shipbuilding programme in British Columbia and was Bureau Veritas Surveyor on the Foundation contract.

Cars of timber are on their way to the Cholberg Yard, and the work will shortly be speeded up. More men have been taken on this week.

GOVERNOR LATE

Bucking head winds that held her back, the Pacific Coast Steamship Company's boat Governor did not dock at the Outer Docks until 6:15 last night. She usually makes port about one or two o'clock in the afternoon.

COLUMBIA RIVER BOAT IS WRECKED

Boiler of Stern Wheeler Exploded, and One Member of Crew Is Reported Missing

ASTORIA, June 24.—The stern-wheel steamer State of Washington is a total wreck, one man is missing and is thought to have sunk with the wreck, and six others are in a hospital here today as the result of a boiler explosion here last night aboard the vessel. The missing man is Frank Howe, fireman, who was on watch at the time.

All of those injured suffered severe scalds, but none is believed to be dangerously burned.

The explosion occurred off Tongue Point, but considerable time had elapsed before word of it reached here and aid could be sent. The State of Washington was towing oil barge 93 on route to Portland. The pilot house and texas were blown to atoms and it is thought the hull must have been damaged, for the steamer sank quickly by the stern. It is thought the vessel's machinery may be salvaged. Pearley Crawford, pilot, was in charge at the time of the explosion, Captain E. L. Chase having just gone off watch.

The time used is Pacific Standard for the 120th meridian West. Add one hour for P.D.T. 0 to 24 hours, from midnight to midnight. The figures for high and low waters, including heights, occur in the tables, the side these heights follow immediately during two consecutive tidal periods without turning.

The Height is in feet and tenths of a foot, above the average level of lower Low Water.

Heights—To find the depth of water on the sill of the Dry Dock at any time, add 19.4 feet to the height of that time. To find the depth of water on the sill of the Graving Dock at any time, add 18.4 feet to the height of that time.

FREIGHT EMBARGO IS DECLARED OFF

VANCOUVER, June 25.—Local coastwise shipping companies on Thursday announced that the embargo on freight to Prince Rupert, which has been in effect for the past two or three weeks on account of the longshoremen's strike at the northern ports, is declared off. All shipments will be accepted and delivery made at the earliest possible date.

The action of the companies in taking off the embargo indicates that the strike situation at Rupert is considerably improved. Local steamship officials, however, are emphatic in their statement that no settlement has yet been reached with the dockers, but the situation is much brighter and it appears as if work will be resumed in a few days.

Another Launching Soon

VANCOUVER, June 25.—John Coughlan & Sons, Limited, will launch another 2,200-d.w.-ton ship on the evening of July 1. This is hull No. 16, to be named the steamship Indus. The vessel is one of those laid down by the firm to its own order and intended for the Coughlan fleet, but later sold to Swedish interests. She will be practically a sister ship to the Margaret Coughlan.

MAKURA ON MONDAY

The Canadian-Australasian liner Makura will reach Victoria on Monday afternoon, according to latest advices received by the local agents. She will proceed to Vancouver after putting off passengers here, and then will go south to San Francisco for the installation of oil-burning equipment.

SUNRISE AND SUNSET

Time of sunrise and sunset (Pacific Standard Time) at Victoria, B.C., for the month of June, 1920:

CZECHS ENTERTAINED BY Y.M.C.A. SECRETARIES

Long Journey Relieved by Amusements Provided by World-Wide Organization

VANCOUVER, June 24.—On all three boats which brought the 9,000 Czecho-Slovak troops to Vancouver from Siberia on their way home to Bohemia there were Y.M.C.A. secretaries well supplied with all sorts of equipment for recreation and entertainment as well as with ample stocks of cigarettes, chocolate and other comforts. Each secretary had fifteen gramophones and a moving picture machine, and, with the assistance of the regimental bands and orchestras, many fine entertainments were given. The Czechs say that the trip across the Pacific was the finest time of their lives and vastly different from the six years of hardship they endured in Russia and Siberia. They are greatly interested in Canada and eagerly secure all pictures and photos of Canadian scenes. The Y. M. C. A. bought over ten thousand pictures for the last shipload alone, and will secure similar quantities at different cities en route. The Y. M. C. A. secretaries on the last two boats were Czechs, one having lived in Russia at the outbreak of the war and fought in the Russian army, while the other was conscripted into the Austrian army. The Y. M. C. A. rendered a great service to the Czechs, having had secretaries with practically every unit since the separate Czech units were authorized in 1917.

Manitoba Flax Fibre

WINNIPEG, June 24.—Flax fibre, grown and manufactured in Manitoba, is selling for $1,000 per ton on the open market in Belgium, according to information given to J. H. Evans, Deputy Minister of Agriculture. The flax was grown at Roseisle, Man.

Ambassadors to Germany

PARIS, June 24.—According to The Petit Journal, three ambassadors to Germany have been selected. Charles-Laurent, representing France; Lord D'Abernon, representing Great Britain, and Signor de Martino, representing Italy.

Pumps and Gasoline Engines

"RED JACKET" PUMPS are good pumps, they are so easy to fix. They pump easier and last longer; a child can pump them. They raise water from the deepest wells with the least work. They cost no more than any other good pump. A "Red Jacket" Pump gives you a private waterworks.

GASOLINE ENGINES. In addition, to carrying reliable makes of engines for pumping water we carry the "Waterloo Boy." A good gas engine LASTS, and with fair treatment needs little or no adjusting, and gives lasting satisfaction to the farmer and country resident.

CUMMING-SANNER—On the 23rd inst., at the Reformed Episcopal Church, Miss Ethel Phaner to Mr. Charles Cummins, by the Rev. A. deB. Owen.

DEATHS

McDONALD—On the 23rd inst., at her late residence, 134 Clarence Street, Emma Faith, beloved wife of Mr. Alex. McDonald. The deceased was born in Ontario 58 years ago, and has been a resident of this city for the past 13 years, coming here from Winnipeg. There remain to mourn her loss, besides her husband, one son, Raymond, of the staff of the Royal Bank of Canada in this city, also one daughter, Mrs. S. P. H. Harrison, of this city.

The remains are reposing at the Sands Funeral Chapel, and will be removed to the above address on Friday, June 25, from where the funeral will be held on the same day at 2 o'clock. Interment will be made in Ross Bay Cemetery.

Winnipeg papers please copy.

FYE—On June 24, 1920, at the residence, 971 Clearsdale Avenue, Edward Thomas, the 2-year-old son of Mr. and Mrs. James Edward Fye; born at Victoria, B. C.

The remains are reposing at the B. C. Funeral Chapel, from whence the funeral will take place on Saturday at 3:30 p.m. Interment will be made in Ross Bay Cemetery.

IN MEMORIAM

FINMORE—In ever loving memory of my dear Husband, James Finmore, who died June 26, 1917. Never forgotten by his sorrowing widow.

This day brings back our memories fresh
Of my dear husband who has gone to rest.
There is no link death cannot sever;
Love and remembrance last for ever.

828 Old Esquimalt Road.

DO you own your automobile? If so, did it ever occur to you that you might have an accident? If it did, remember: We can issue a policy for $10 per annum which pays $25 per week to insured, as well as providing liberal advantages to an immediate member of insured's family under 16 years of age while riding with the insured at time of accident.

We also issue to either professional or business ladies our "New Era" policy, which is only just out and offers several attractive advantages over the old form of insurance.

WE ARE OPEN EVENINGS

THREE GREAT SUTS IN USED CARS

HERE'S your chance to get a late model car on your own terms. These cars must be sold in the next few days. Each car has been thoroughly gone over in our shop by an expert mechanic. All guaranteed for 30 days. Every car a guaranteed car, if buy of us.

NO 1—

CHEVROLET, late model touring car. This car has all good tires, demountable rims, one-man top, full set of side curtains, a reliable self starter, with electric lights, "bright and dim." The car has only been owned by one man since it was new, and has had the best of care. Price, $625. Very easy terms can be arranged, if desired.

NO. 2—

5-PASSENGER GRAY-DORT car in new condition. This car has only been in use a few months, and runs and looks as good as a new one. All tires are as good as new, demountable rims, with spare, a bumper, one-man top, with a set of side curtains, door envelopes, a full set of tools, 1920 license, fully paid up. It has the reliable Westinghouse self-starter, with spare, good electric lights. The car is easy to operate, and is very economical on gasoline and oil. The price of this car now, today, is $1,350, but here's your chance to get one equal to new for only $1,050; and very easy terms can be arranged. If you have a car you would like to trade, it will pay you to see us.

NO. 3—

CHEVROLET—1918 model, 5-seater. This car has been privately owned and is equal to a new one. All tires are real good, with spare; one-man top with set of storm curtains; full set of tools, etc.; 1920 license, fully paid up. This is the best buy in town at the price of $625. Very easy terms can be arranged, if desired. We will take your car in trade, and allow you very reasonable terms on the balance.

We Have Others For Your Inspection

COMPANIES ACT

VICTORIA MOTOR CONTRACTORS, LIMITED

Take notice, that the above-mentioned Company intends, at the expiration of 30 days from June 24th, 1920, to apply to the Registrar of Joint Stock Companies to leave to change its name to that of "Central Service Transport, Limited."

E. V. ANDERSON,
Secretary.

SALE OF VALUABLE COMMERCIAL HEAD PROPERTY

In the Supreme Court of British Columbia
Barnett v. Smith, et al.

By order of the Honorable Mr. Justice Murphy the undermentioned property is offered for sale by tender:

The northerly twelve acres of Lot 4, Land Registry Office, Island 119, Victoria District, except the portion taken to feet offered, the property is bounded by roads on two sides and consists of about six acres cleared and the balance lightly timbered. There are 2,000 feet of good wire fencing on three sides. There is one house containing 6 rooms and one bungalow of 3 rooms, both requiring repair. There are two wells. There is a barn and stable in fair repair. There are about 400 plums, cherry, apple, pear and walnut trees and a few small fruits. The property is close to school, post office and public hall.

All tenders (none of which will necessarily be accepted) are to be left with the undersigned from whom further particulars may be obtained, but later than the 15th July, 1920, and the price is subject to the approval of a Judge of the Supreme Court. Dated this 19th day of June, 1920.

J. Y. COPEMAN,
Barrister and Solicitor.
218 Central Building, Victoria, B.C., Solicitor for Plaintiff.

NOTICE

In the Estate of David Spencer, late of the City of Victoria, British Columbia, Merchant, deceased.

Notice is hereby given that all persons having claims upon the Estate of the late David Spencer, who died on or about the 2nd day of March, 1920, at the City of Victoria, B. C., are required to send to the undersigned on or before the 26th day of July, 1920, a full statement of their claims and of any securities held by them, duly verified, and that after that date the executor will proceed to distribute the assets of the deceased among the parties entitled thereto, having regard only to the claims of which notice has been filed with the undersigned.

Dated at Victoria, B. C., this 8th day of June, 1920.

WOOTTON & MANKEE,
648 Bastion Street, Victoria, B. C.,
Solicitors for the Executor.

TEACHERS WANTED

Teachers wanted for receiving classes, junior, intermediate and senior grades, in the Prince Rupert Public Schools. Minimum salary, $1,000.00; maximum, $1,620.00, in addition to which a B.C.T. bonus of $150.00 per annum is paid. (9 yr. schools.) Teachers with over one years' experience are started in the next succeeding year on the schedule, no teacher being given credit for more than four years' experience. Applicants will state experience, qualifications, age, and give the name of last inspector. Appointment will be made July 5th, 1920.

W. D. VANCE,
Secretary.

LAND REGISTRY ACT

SECTION 34

In the matter of part 1.14 acres of the foreshore of the Netherly indentation of Rock Bay in the Harbor of Victoria shown colored red on Plans annexed to the Crown Grants thereof to which parcel No. 130-A has been assigned.

Proof having been filed in my office of the loss of the Certificate of Indefeasible Title No. 2782-1 to the above-mentioned lands in the name of the Corporation of the City of Victoria and bearing date of the 11th day of September, 1913, I hereby give notice of my intention at the expiration of one calendar month from the first publication hereof to issue to the said Corporation a fresh Certificate of Indefeasible Title in lieu of such lost Certificate.

Any person having any information with reference to such lost Certificate is requested to communicate with the undersigned.

Dated at the Land Registry Office, Victoria, B. C., this 10th day of June, 1920.

FRANK J. STACPOOLE,
Registrar-General of Titles.

SAVE YOUR DISCOUNT

Taxpayers are reminded that a discount of 10% is allowed on the 1920 Income, Personal Property, Real Property, School and other Provincial Government Taxes if paid on or before the 30th instant.

30th June Last Day

FRANK J. SEHL,
Provincial Collector of Taxes,
Victoria Assessment District,
Parliament Buildings.

Esquimalt Taxes

To Avoid the Payment of an Addition of 10%

to the Current Year's Taxes, all Taxes must be paid on or before June 30th, 1920.

G. H. PULLEN,
Collector, Corporation of the Township of Esquimalt

DEPARTMENT OF MARINE AND FISHERIES, OTTAWA, ONT.

June, 1920.

SEALED Proposals will be received at this office until 12 o'clock noon, on the 9th day of August, 1920, for furnishing the materials and labor of all kinds necessary for the construction, equipment and delivery of a proposed Steel Twin Screw Icebreaker of the following leading dimensions:

Length B.P. 275 ft. 0 in.
Breadth Mld. at L.W.L. 52 ft. 0 in.
Depth Mld. 32 ft. 6 in.
Draft Mean 19 ft. 6 in.
I.H.P. 5,000 to be developed by a design to be submitted at the Admiralty to the Department of Marine and Fisheries, Quebec on tender for a fixed sum.

The Department reserves the right to accept or reject any or all of the bids received.

Forms of specifications and conditions showing what is required can be had on application to the Deputy Minister of Marine and Fisheries, Ottawa, or to the Senior Naval Officer, Quebec, who will furnish, for a fixed sum, copies of the plans and specifications.

Tenders will not be considered unless made on the printed forms supplied by the Department and signed with their actual signatures. Envelopes should be marked "Tender for Icebreaker" and addressed to the undersigned.

THE DEPUTY MINISTER,
Department of Marine and Fisheries,
Ottawa, Ont.

THE BANK OF ENGLAND

LONDON, June 24.—The weekly statement of the Bank of England shows the following changes (as pounds sterling):

Total reserve, decreased £1,000,000.
Circulation, increased 2,000,000.
Bullion, increased 111,025.
Other securities, increased 3,027,000.
Public deposits, decreased 14,000,000.
Other deposits, decreased 1,000,000.
Government securities, increased 15,000,000.

The proportion of the bank's reserve to liabilities is 15.12 per cent. Last week it was 14.78.

Rate of discount, 7 per cent.

MONEY RATES GOVERN MARKET OPERATIONS

Prospect of Greater Stringency Has Discouraging Effect—Early Tendency to Price Advances Checked

NEW YORK, June 24.—Cumulative evidence that money is likely to become tighter and more stringent in the final days of the current month overshadowed interest in the stock market today.

Call loans opened and renewed at 5 per cent, and rose to 10 per cent at noon, gradually advancing to 14 per cent a rate only once exceeded this year, in the final hour.

For all purposes time money eased to extent further bids of 8½ to 9 per cent bringing out only the smallest supply.

Local banks reported similar monetary conditions at New England and Middle Western centres, where financial institutions were making preparation to strengthen reserves to meet unusually large mid-year requirements.

Foreign exchange, particularly the London rate, continued to react from the highest quotation of recent days. In this connection it was noted that the weekly statement of the Bank of England gave no hint of prospective gold export to this market. The Bank of France reported only a nominal gain of bullion, while its discounts and advances increased almost 70,000,000 francs. The stock market was inclined to move forward in the early and intermediate periods of the dull session, but most gains were cancelled when closing became the dominant factor. Crucible, Mexican Petroleum and Baldwin Locomotive were among the few issues to overcome this unexpected development, rallying briskly and imparting a semblance of steadiness at the end.

Sales amounted to 425,000 shares.

On the bond market an element of strength in Belgian 7½s was witnessed, which rose a substantial fraction. Other foreign issues were steady to firm, but Liberty bonds and some of the rails, notably Southern Railway 5's, were mostly lower. Total sales, par value, aggregated $12,550,000. Old United States bonds were unchanged on call.

NEWS OF THE MINES

During the past week the concentrator on the Kitsuksh Mountain Copper Co.'s property at Uek has been working very satisfactorily, and a good deal of ore is being handled. At the same time some development work is being carried on at the mine. The property is perfectly located from an operating standpoint, and it has all the earmarks of being a dividend payer in the not distant future. The values are in the ore, and there is lots of ore in the veins, and a number of good stout veins. The policy of the company in regard to development and the treatment of the ore has been a very conservative one and consequently slow. Nevertheless no serious mistakes have been made, and in a short time the company will be able to proceed on a much larger scale and with every prospect of success. A tunnel on the level of the ore bunkers has been run in several hundred feet, tapping the vein. The next development will be a drift and then stoping. Considerable other development has already been done in the way of shafts, cuts and tunnels. The ore carries a good deal of gold, both fine and coarse, and it is not uncommon to get a good sized nugget. There is native silver, quicksilver, copper and, as the auctioneer would say, other things too numerous to mention. The main feature is that the mill is making a good saving of the minerals.—Ounuscs Herald.

WINNIPEG GRAIN MARKETS

WINNIPEG, June 24.—Another dull and featureless day was recorded on the cash grain market today. Offerings continued light and the few odd cars that came on the market were quickly disposed of at unchanged spreads.

July oats closed 2½ cents lower, October 1⅝ cent lower, and December 1⅝ cent lower; barley 2½ cents lower for July and 1 cent down for October; flax 5½ cents lower for July and 4½ cents lower for October.

Oats—	Open.	High.	Low.	Close.
July	135⅝	135⅝	132⅝	132⅝

Butter—Choicest creamery, 52c to 52½c.
Eggs—Fresh, 52c.
Potatoes—Per bag, car lots, $3.25 to $3.50.

OLD CRAFT IS NOW REJUVENATED

VANCOUVER, June 24.—The old Henrietta, which for the past twenty years has been a familiar craft on this coast, is now rejuvenated and sailing the Southern Pacific as one of the smartest-looking and smartest-sailing craft in those waters. So declares Capt. A. Woodside, of San Francisco, who bought the old boat after she was thrown with the Grand Trunk Pacific service. Capt. Woodside pulled the engines out of her, rebuilt her from the deck up, and rigged her as a sailing schooner at a cost of $35,000.

The Henrietta was originally an iron bark sailing under the French flag. She was wrecked on the Columbia River bar and sold for a song to some Japanese salvors, who got her afloat and with the aid of twin engines ran her up and down this coast at handsome profit. Several successive owners made fortunes from her before she passed into Captain Woodside's hands.

SMALLER QUANTITIES OF GRAIN IN STORE

OTTAWA, June 24.—According to returns received at the department of statistics for the week ended June 11, 1920, the quantity of grain in store at the different public elevators in Canada has decreased by 1,467,805 bushels as compared with the previous week. Wheat oats, barley and rye show decreases of 379,845 bushels, 917,882 bushels, 206,622 bushels, and 58,555 bushels respectively. Flax shows an increase of 42,147 bushels.

Stocks in store on June 11, 1920, were: Wheat, 18,480,298 bushels; oats, 4,271,877; barley, 2,717,092; flax, 562,741, and rye, 238,046.

COURT OF NATIONS FURNISHES PROBLEM

THE HAGUE, June 24.—Those who have believed it easy to create a competent high court of nations found a striking refutation of their views at The Hague Peace Palace.

Although the jurists have been in session for a week and have made considerable progress in the exchange of views, there has not yet been a single decision, nor have they agreed on the draft of any part of the plan. They are, however, optimistic of final results.

A SYDNEY LEHEAD, of Winooski, Vermont, after suffering, he is now in the "pink of condition" and enjoying life for the first time in many years as the result of taking Tanlac.

"Thanks to Tanlac, I am now enjoying life for the first time in years," recently declared Arthur LeBeau, foreman of the Porter Screen Co., Winooski, Vermont. "For five years I was a sick man. My principal trouble was indigestion. I had no appetite and generally went off to work without any breakfast because I knew if I ate anything it would only upset me.

"My condition was so bad, in fact, I could neither sleep, nor eat nor work with any satisfaction and was so nervous that the least thing would upset me. Nothing seemed to agree with me and I would have severe cramping pains in my stomach and at times my heart would palpitate badly. I also suffered from shortness of breath, and the least little exertion would make my heart thump like an engine.

"At last I almost decided I would give up my job as I got so weak and miserable I felt I could stand it no longer.

"One night as I sat reading a paper I saw a statement about Tanlac which convinced me it was just the medicine I needed. It helped me from the very first dose and at the time I had finished my third bottle I hardly knew myself.

"I never have the slightest symptom of indigestion now and I feel like a brand new man in every way. My appetite is splendid, my nerves are steadied and I sleep soundly at night. The work I used to dread now seems easy for me and I am now in the very 'pink of condition.' Of course, I am only too glad to recommend this medicine."

Tanlac is sold in Victoria by D. E. Campbell, Druggist, and in Esquimalt by Lang's Drug Store. (Adv't)

ARGUMENT ON TREATY IS NOW CONCLUDED

Court of Appeal Reserves Judgment on Question of Province's Right to Exclude Asiatics From Contracts

Hearing of argument for and against the contention of the Provincial Government, that it has the right to exclude the employment of Japanese from its own contracts and leases, was concluded in the Court of Appeal yesterday. The judgment of the court was reserved. Sir Charles H. Tupper, K.C., resumed his argument, which was largely directed to an attack on the premises of the Attorney-General's position, and the Attorney-General wound up the hearing with a reiteration of his previous vigorous affirmation of the rights of the Province; and asked the court to say that his view of the position of the Province was correct.

Sir Charles H. Tupper continued his argument by citing many authorities on international law to show that nations, being parties to treaties, are entitled to demand from the other party to it, a strict compliance of its provisions, regardless of the internal and domestic affairs of the other nation. He would also challenge the Attorney-General's assumption—which had run like a continuous thread through all the fabric of his learned friend's argument—that corporations or individuals of this Province are free to make contracts from which Japanese subjects are specifically excluded. He would say, on the contrary, that the Japanese treaty was the law of this Province; and as such would render void any such excluding contracts.

Sir Charles referred to the fact that the Constitution of the United States contains an article which invests any treaty entered into by the Republic with all the authority of the national law. And while it was true that under the British constitution we had no similar article written into the code, it was still true to say that in effect the treaties entered into by the British Crown are the binding law of all British lands.

Attorney-General's Reply

The Attorney-General, in reply to the argument of learned counsel, said that the first question Their Lordships were asked to decide was whether the Japanese Treaty Act could operate to restrict the powers of Provincial Parliaments as conferred under the British North America Act. He would like that question answered in a retroactive sense, as well as to possible future legislation. He would submit that the Treaty Act contained nothing that could be interpreted in restriction of the Province, either as it was when the practice of the Provincial executive, or as to the rights in exact future legislation. He would not go so far as to say that under the British North America Act the Dominion had no power to enact legislation in restriction of the Province, in this sense. But at the time the Treaty Act was passed, the Treaty itself was not in force in Canada.

Effect of Treaty

The second question asked of that court required how far the Treaty itself went to restrict the Province in its powers of excluding Japanese from the contracts and leases let by the Provincial Government. And as to this question, the Attorney-General would repeat his contention that the Treaty could not be interpreted as depriving the Province of powers conferred on it by the British North America Act. And certainly under the provisions of the British North America Act the Province had the power to exclude the Japanese from its own contracts or leases.

And as to the arguments made by his learned friends as to discrimination against the Japanese, if those arguments were pursued to their logical conclusion, then the Province was equally guilty of discrimination when it permitted any of its citizens to exclude Japanese from such citizens' own contracts.

An interesting colloquy occurred between the Attorney-General and Chief Justice Macdonald. The Attorney-General had taken the case of an imaginary John Jones, who had made a contract with the Province, by the terms of which he knows that he may not employ Asiatics on the work to be done. And when asked the Attorney-General, was the difference between the status of this and of John Jones' doing the same thing in his private capacity.

Chief Justice's Question.

"Yes," returned the Chief Justice, "but John Jones has not entered into a treaty with Japan not to employ Japanese in his business." (Laughter.)

With deference, the Attorney-General submitted that John Jones had done that thing. John Jones was a citizen of the Province, and if that argument was is, run, John Jones was as bound to enforce this treaty as was the Province.

The Attorney-General, after citing numerous legal authorities for his argument, concluded with a striking concrete example of the logical result of his opponents' contention. Take the case, said he, of two collieries, operating side by side. One was owned by a private company. The other was owned by the Province. Not one of his learned friends had suggested that the privately-owned colliery might not exclude Asiatics from its employment. And was it to be said that those private citizens were to have a power that was denied to the Province?

The court reserved its judgment on the question.
